***Extension of Share Repurchase Programme***

Molten Ventures (LSE: GROW), a leading venture capital firm investing in and developing high-growth digital technology businesses, announces that, upon completion of its £10 million share repurchase programme announced on 23 October 2025, it will commence an additional share repurchase programme of up to £10 million (the "Programme").

This brings the total committed since the commencement of the current programme in July 2024 to £60 million.

The Programme will be financed through existing cash resources and will continue until the earlier of either the expiration of the general authority received at the Company's 2025 AGM ("General Authority") or upon reaching the maximum purchase amount intended under the Programme.

The purchased ordinary shares of 1 pence each in the capital of the Company ("Ordinary Shares") will be held in treasury.

To implement the Programme, the Company has entered into an irrevocable, non-discretionary agreement with Deutsche Bank AG, London Branch ("Deutsche Numis"), acting as agent, to conduct the Programme on its behalf and carry out on-market purchases of Ordinary Shares. Share repurchases may be made from time to time depending on market conditions, share price and trading volume.

The Company confirms that it currently has no unpublished inside information.

The Programme will operate in accordance with and under the terms of the relevant General Authority. The Programme will be conducted within the parameters of the Market Abuse Regulation 596/2014/EU and the delegated regulations made pursuant to it.

As at 28 January 2026, the Company's issued share capital consists of 189,046,450 Ordinary Shares, the total number of Ordinary Shares in treasury is 13,937,034 and the total number of voting rights in the Company is 175,109,416.

The Company will announce any market repurchase of Ordinary Shares no later than 7.30am on the business day following the calendar day on which the repurchase occurred.
