

30 January 2026

Helios Towers plc

Total Voting Rights

In accordance with DTR 5.6.1, Helios Towers plc (the "Company") announces the following:

As at the date of this announcement, the Company's issued ordinary share capital consists of 1,042,201,422 ordinary shares of £0.01 each, all with voting rights. There are no shares held in treasury.

The total number of voting rights in the Company is therefore 1,042,201,422.

The above figure may be used by shareholders in the Company as the denominator for the calculations by which they will determine if they are required to notify their interest in, or a change of their interest in, the share capital of the Company under the FCA's Disclosure and Transparency Rules.

About Helios Towers

- Helios Towers is a leading independent mobile tower company connecting people and powering growth across Africa and the Middle East. We deliver world-class operations at nearly 15,000 mobile tower sites across nine countries in Africa and The Middle East - the fastest growing region globally for mobile services - providing mission critical infrastructure and power services to leading mobile network operators (MNOs).
- Our pioneering approach enables colocation - the sharing of telecom tower sites - by hosting multiple MNOs on individual sites, creating benefits in the performance quality, the environmental impact, and the cost of rolling out and running mobile networks in our markets.
- Helios Towers' business excellence methodology focuses on delivering world class performance for its customers - centred around the development and upskilling of its people. We foster a culture of learning and continuous improvement to deliver global standards in processes and innovation, which makes us the partner of choice for all the region's leading MNOs.
- As one of the largest and fastest-growing FTSE-listed companies focused on operating in Africa and the Middle East, Helios Towers' disciplined approach to capital allocation, long-term partnerships with leading MNOs and its operational capabilities deliver resilient performance that is reshaping digital connectivity in the region and catalysing investment that is essential to unlocking its human and economic potential.
