### About Feedback plc

Feedback plc is the strategic partner to unlock productivity in health and care through digital connectivity and asynchronous collaboration. With proven expertise in system integration, we enable teams to work flexibly, share information securely, and deliver care more efficiently.

Bleepa® is an award-winning collaboration platform that improves the quality and productivity of patient pathways enabling health and care organisations to hit targets with their existing clinical workforce. We achieve this by connecting digital infrastructure across systems, enabling asynchronous working, reducing geographic barriers and removing unnecessary appointments.

Bleepa supports the shift from analogue to digital and from hospital to community-based care, by uniting essential data and teams to enhance clinical decision making and enable better coordinated care.

The Company has a number of growth opportunities domestically and internationally across a range of public and private healthcare markets including the NHS. Our highly scalable software-as-a-service (SaaS) based model is expected to provide increasing levels of revenue visibility as the Company grows its customer base.
