About Aura Energy (ASX: AEE, AIM: AURA)

Aura Energy Limited (ASX:AEE, AIM:AURA) is an Australian-based company focused on the development of uranium and battery metals to support a cleaner energy future.

Aura is advancing two key projects:

- **Tiris Uranium Project, Mauritania** - A fully permitted, near-term development asset with a potential long mine life. Aura plans to transition from a uranium explorer to a uranium producer to capitalise on the rapidly growing demand for nuclear power as the world shifts towards a decarbonised energy sector. Basic Engineering work is ongoing and expected to complete in Q2 2026, which may impact upon processes and economics.^[1]
- **Häggån Polymetallic Project, Sweden** - A globally significant deposit containing vanadium, sulphate of potash, and uranium with potential long-term value.^[2]

Aura is committed to creating value for host nations, local communities, and shareholders through responsible and sustainable resource development.
