**Retail Offer for up to £2 million**

Cora Gold Limited, the West African focused gold company, is pleased to announce a retail offer to its existing shareholders via the BookBuild platform to raise up to approximately £2 million (the "**Retail Offer**") through the issue of up to 33,333,333 new ordinary shares of no par value in the Company ("**Retail Offer Shares**") at a price of 6 pence per ordinary Share (the "**Issue Price**").

As announced on 9 February 2026, in addition to the Retail Offer, the Company has conditionally raised a minimum of GBP£12,854,074.26 and up to GBP£13,707,141.36 before expenses through a subscription by a strategic investor (the "**Subscription**") for up to 228,452,356 new ordinary shares of no par value in the Company ("**Subscription Shares**") at the Issue Price.

The Subscription and Retail Offering (together the "**Fundraise**") are conditional on (amongst other matters): (i) the provision of a title opinion on the Company's assets in Mali satisfactory to the subscriber to the Subscription; (ii) the passing of the necessary resolutions at a general meeting of the shareholders of the Company (the 'Extraordinary General Meeting'); and (iii) admission of the Retail Offer Shares and Subscription Shares to trading on AIM taking place no later than 8 April 2026. The date of admission may be accelerated subject to all conditions being satisfied. Should this occur, the Company will notify the new date of admission.

A Notice of Extraordinary General Meeting of the Company is to be posted to shareholders shortly. The Extraordinary General Meeting will be held at 12 p.m. on 24 March 2026 at the offices of Hannam & Partners, 3rd Floor, 7-10 Chandos Street, London, W1G 9DQ, United Kingdom and online. ### Retail Offer

The Company values its retail shareholder base, which has supported the Company alongside key significant investors since IPO. Given the support of retail shareholders, the Company believes that it is appropriate to provide its retail shareholders in the United Kingdom the opportunity to participate in the Retail Offer. The Company is therefore making the Retail Offer available in the United Kingdom through the financial intermediaries which will be listed, subject to certain access restrictions, on the following website: <https://www.bookbuild.live/deals/D70XY1/authorised-intermediaries>

#### **UK Product Governance Requirements**

Solely for the purposes of the product governance requirements of Chapter 3 of the FCA Handbook Product Intervention and Product Governance Sourcebook (the "UK MiFIR Product Governance Requirements"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the UK MiFIR Product Governance Requirements) may otherwise have with respect thereto, the Retail Offer Shares have been subject to a product approval process, which has determined that the Retail Offer Shares are: (i) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each as defined in paragraphs 3.5 and 3.6 of COBS; and (ii) eligible for distribution through all permitted distribution channels (the "Target Market Assessment"). Notwithstanding the Target Market Assessment, distributors should note that: the price of the Retail Offer Shares may decline and investors could lose all or part of their investment; the Retail Offer Shares offer no guaranteed income and no capital protection; and an investment in the Retail Offer Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The Target Market Assessment is without prejudice to any contractual, legal or regulatory selling restrictions in relation to the Retail Offer.

For the avoidance of doubt, the Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of Chapters 9A or 10A respectively of COBS; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the Retail Offer Shares. Each distributor is responsible for undertaking its own target market assessment in respect of the Retail Offer Shares and determining appropriate distribution channels.

#### **EU Product Governance Requirements**

Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on markets in financial instruments, as amended ("MiFID II"); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing MiFID II; and (c) local implementing measures (together, the "MiFID II Product Governance Requirements"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the MiFID II Product Governance Requirements) may otherwise have with respect thereto, the Retail Offer Shares have been subject to a product approval process, which has determined that the Retail Offer Shares are: (i) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each as defined in MiFID II; and (ii) eligible for distribution through all distribution channels as are permitted by MiFID II (the "EU Target Market Assessment"). Notwithstanding the EU Target Market Assessment, distributors should note that: the price of the Retail Offer Shares may decline and investors could lose all or part of their investment; the Retail Offer Shares offer no guaranteed income and no capital protection; and an investment in the Retail Offer Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The EU Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the Retail Offer.

For the avoidance of doubt, the EU Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of MiFID II; or (b) a recommendation to any investor or group of investors to invest in, or purchase or take any other action whatsoever with respect to the Retail Offer Shares. Each distributor is responsible for undertaking its own target market assessment in respect of the Retail Offer Shares and determining appropriate distribution channels.
