Director/PDMR Shareholding - Correction

The following amendment has been made to the 'Director/PDMR Shareholding' announcement released on 3 February 2026 at 14:18 under RNS number: 5599R

In relation to the FY2026-2028 Long Term Incentive Plan awards granted to, and accepted by, Jonathan Bunting (Chief Executive Officer) and Richard Clay (Chief Financial Officer), the number of allocated shares awarded to Richard Clay as conditional awards was incorrectly stated due to an administrative error and has been corrected from 653,905 to 575,436, representing 110% of Mr Clay's base salary at grant, calculated at a share price of 66.10p.

All other details remain unchanged.

The full amended text is shown below.

Smiths News plc (the "Company") announces that it has been notified of the following transactions in the Company's ordinary 5p shares undertaken by directors / persons discharging managerial responsibility:

Long Term Incentive Plan FY2026 - 2028 ('LTIP')

The following awards were granted to, and accepted by, Jonathan Bunting (Chief Executive Officer) and Richard Clay (Chief Financial Officer) as conditional awards, where a participant may receive an allocation of shares following the normal vesting date, subject to (i) the extent to which the applicable performance conditions have been satisfied at the end of the three-year performance period and (ii) their continuing employment at that time.

As indicated in the Company's Directors' Remuneration Report (published as part of the Company's 2025 Annual Report and Accounts on 16 December 2025), the Company confirms that the extent of any vesting of this LTIP award will depend on the achievement of the following performance conditions:

| | Relative TSR vs FTSE Small Cap Index (excluding investment trusts) over the three-year performance period 70% weighting | Final Year Profit from Growth and Diversified Activities in FY2028 30% weighting | Proportion exercisable |
|----------------------------|---|--|-------------------------------|
| Performance Period | 1 September 2025 to 26 August 2028 | | |
| Performance Targets | Below Median | Below £4.29m | Zero |
| | Median | £4.29m | 25% |
| | Between Median and Upper Quartile | Between £4.29m and £6.90m | 25%-100% |
| | Upper Quartile | £6.90m | 100% |

The Company has considered carefully the level of target performance and the corresponding performance range for each performance measure to ensure that they are sufficiently stretching and promote long-term sustainable success.

Any vested shares will be subject to a holding period of two years from the vesting date and will be subject to customary malus and clawback events. The value of any dividends accrued, in the form of dividend equivalents, will normally be paid in cash at the end of period (third anniversary) based on the number of vested shares.

No consideration was paid for the grant of the award. For the purposes of this award, the grant was made at a share price of 66.10p.
