About Jangada Mines Plc

Jangada is a natural resource development company listed on AIM of the London Stock Exchange (AIM: JAN), with assets in Brazil. Led by a team with deep industry, financial and in-country expertise, the Company is executing a dual growth strategy: advancing its portfolio projects, including the high-grade Molly Gold Project (over which it is undertaking exploratory drilling to earn an option over), the Paranaíta Gold Project and the 100% owned Pitombeiras vanadium titanomagnetite Project; and leveraging its proven geological and in-country capabilities to identify and acquire additional projects that can be rapidly advanced to create shareholder value.
