Announcement of Non-Discretionary Share Buyback Programme

RELX PLC (the "Company") announces in compliance with the UK and EU Market Abuse Regulations that it will implement an irrevocable, non-discretionary programme to repurchase its ordinary shares between 12 February 2026 and 20 March 2026 (the "Programme"), with a spend in this period of £450 million. This follows the successful completion of a £250 million non-discretionary programme on 6 February 2026. Both programmes are part of the £2.25 billion to be deployed on share buybacks in 2026, as announced on 12 February 2026.

The purpose of the Programme is to reduce the capital of the Company and it intends that shares purchased will be held in treasury.

Any share purchases will be made by the Company within certain pre-set parameters and in accordance with the general authority of the Company to repurchase shares granted by shareholders at the Company's Annual General Meeting held on 24 April 2025 which, taking into account shares purchased subsequent to this meeting, permits the Company to purchase no more than 155.2 million ordinary shares. Any share purchases effected by the Company will be in accordance with the UK and EU Market Abuse Regulations and Chapter 9 of the Listing Rules.

The Company has entered into an agreement with UBS AG London Branch ("UBS") under which it has issued irrevocable instructions to UBS to manage the Programme. UBS will carry out the Company's instructions through the acquisition of ordinary shares in the Company for subsequent repurchase by the Company. UBS will make its trading decisions under the Programme independently of, and uninfluenced by, the Company.
