About Valtterra Platinum

Valterra Platinum is one of the world's leading integrated producers of platinum group metals (PGMs) with a primary listing on the Johannesburg Stock Exchange and a secondary listing on the London Stock Exchange. We operate world class, long-life mines and the industry's most efficient processing assets, responsibly mining, smelting, and refining PGMs and associated co-products from operations located in South Africa and Zimbabwe. With integrated marketing hubs in London, Singapore and Shanghai, we deliver tailored solutions for our customers. We integrate sustainability into everything we do, invest in our mining and processing capabilities and advance market development initiatives to grow and commercialise new demand segments. We make a meaningful impact in the communities where we operate and remain committed to delivering consistent and superior returns to shareholders. Guided by our purpose of unearthing value to better our world, we are committed to zero harm, disciplined capital allocation and delivery on our value-accretive strategic priorities.

RNS may use your IP address to confirm compliance with the terms and conditions, to analyse how you engage with the information contained in this communication, and to share such analysis on an anonymised basis with others as part of our commercial services. For further information about how RNS and the London Stock Exchange use the personal data you provide us, please see our [Privacy Policy](#).
