

16 February 2026

Plus500 Ltd.

("Plus500", the "Company" or together with its subsidiaries the "Group")

Share Buyback Programme

Plus500, a global multi - asset fintech group operating proprietary technology - based trading platforms, is pleased to announce the commencement of a new share buyback programme today, to purchase a total of up to 100.0m of the Company's shares ("Share Buyback Programme"). The Share Buyback Programme forms part of the 187.5m of shareholder returns announced in the Company's FY 2025 Preliminary Results on 9 February 2026, which also included total dividends of 87.5m.

The FY 2025 Preliminary Results highlighted the Group's significant strategic, operational and financial momentum achieved in FY 2025 which has continued into FY 2026 with the Group's trading being supported by positive momentum across global financial markets, as well as by strong operational results. This includes Plus500's launch of its prediction markets offering for B2C customers in the US and completing the acquisition of Mehta Equities in India, setting a strong foundation for the year.

This significant Share Buyback Programme is consistent with Plus500's disciplined capital allocation framework and reflects the Group's robust financial position, cash generative business model and the Board's ongoing confidence in the Group's ability to deliver strong shareholder returns over the medium-term. As of 31 December 2025, the Group held approximately 0.8bn of its own cash on its balance sheet, enabling it to pursue accretive organic and inorganic growth initiatives, while continuing to deliver attractive and sustainable shareholder returns.

The maximum number of shares the Company is entitled to repurchase under the Share Buyback Programme is up to 3,769,933 shares. This figure represents the total number of shares the Company is authorised to purchase pursuant to the authority granted by shareholders at the Company's most recent Annual General Meeting held on 6 May 2025, less the number of shares that have already been repurchased pursuant to that authority. The Company will seek additional authority from its shareholders to make purchases of its own ordinary shares at its upcoming AGM.

Share purchases will take place in open market transactions and may be executed from time to time depending on market conditions, share price, trading volume and other factors. Panmure Liberum Limited ("Panmure Liberum") will manage the Share Buyback Programme, which is an irrevocable, non - discretionary share buyback programme to repurchase the Company's shares on its behalf, and within certain defined parameters. Neither the Company nor its Board members have the authority to invoke any changes to the Share Buyback Programme, as it will be conducted solely at the discretion of Panmure Liberum, in accordance with the established terms.

All ordinary shares repurchased by the Company under the Share Buyback Programme shall be classified as shares held in treasury (dormant shares). Such treasury shares are not entitled to dividends and have no voting rights at the Company's general meetings.

The Share Buyback Programme will run from the date of this announcement until no later than the announcement date of the Preliminary Results for FY 2026. Purchases may continue during any closed period to which the Company is subject during the above - mentioned period.

The Share Buyback Programme will be affected within the parameters of Article 5(1) of the Market Abuse Regulation (EU) No 596/2014 (which is part of UK law by virtue of the European Union (Withdrawal) Act 2018 (the "2018 Act")) ("MAR") and the Commission Delegated Regulation (EU) No 2016/1052 (which is part of UK law by virtue of the 2018 Act) as well as the applicable laws and regulations of the UK Financial Conduct Authority.

Details of any and all purchases made under the Share Buyback Programme will be announced no later than 7.00am on the business day following the calendar day on which the purchases occurred.

About Plus500

Plus500 is a global multi-asset fintech group operating proprietary technology-based trading platforms. Plus500 offers customers a range of trading products, including OTC ("Over-the-Counter" products, namely Contracts for Difference (CFDs)), share dealing, as well as futures and options on futures.

The Group retains operating licences and is regulated in the United Kingdom, Australia, Cyprus, Israel, New Zealand, South Africa, Singapore, the Seychelles, the United States, Estonia, Japan, the UAE, the Bahamas, Canada, Colombia and India, and through its OTC product portfolio, offers more than 2,500 different underlying global financial instruments, comprising equities, indices, commodities, options, ETFs, foreign exchange and cryptocurrencies. Customers of the Group can trade its OTC products in more than 60 countries and in 30 languages.

Plus500's trading platforms are accessible from multiple operating systems (iOS, Android and Windows) and web browsers. Customer care is, and has always been, integral to Plus500. As such, OTC customers cannot be subject to negative balances. A free demo account is available on an unlimited basis for OTC trading platform users and sophisticated risk management tools are provided free of charge to manage leveraged exposure, and stop losses to help customers protect profits, while limiting capital losses.

Plus500 was admitted to trading on the London Stock Exchange (LON: PLUS) on 24 July 2013. It was admitted to the Equity Shares in Commercial Companies ("ESCC") Category of the Official List and is a constituent of the FTSE 250 Index and the STOXX Europe 600 Index. Website: www.plus500.com.

Forward looking statements

This announcement contains statements that are or may be forward-looking statements. All statements other than statements of historical facts included in this announcement may be forward-looking statements, including statements that relate to the Group's future prospects, developments and strategies. The Company does not accept any responsibility for the accuracy or completeness of any information reported by the press or other media, nor the fairness or appropriateness of any forecasts, views or opinions expressed by the press or other media regarding the Group. The Company makes no representation as to the appropriateness, accuracy, completeness or reliability of any such information or publication.

Forward-looking statements are identified by their use of terms and phrases such as "believe", "targets", "expects", "aim", "anticipate", "project", "would", "could", "envisage", "estimate", "intend", "may", "plan", "will" or the negative of those, variations or comparable expressions, including references to assumptions. The forward-looking statements in this announcement are based on current expectations and are subject to known and unknown risks and uncertainties that could cause actual results, performance and achievements to differ materially from any results, performance or achievements expressed or implied by such forward-looking statements. Factors that may cause actual results to differ materially from those expressed or implied by such forward looking statements include, but are not limited to, those described in the Risk Management Framework section of the Company's most recent Annual Report. These forward-looking statements are based on numerous assumptions regarding the present and future business strategies of the Group and the environment in which it is and will operate in the future. All subsequent oral or written forward-looking statements attributed to the Company or any persons acting on its behalf are expressly qualified in their entirety by the cautionary statement above. Each forward-looking statement speaks only as of the date of this announcement. Except as required by law, regulatory requirement, the UK Listing Rules and the Disclosure Guidance and Transparency Rules, neither the Company nor any other party intends to update or revise these forward-looking statements, whether as a result of new information, future events or otherwise.
