Plus500 Ltd.

("Plus500" or the "Company")

**Proposed sale of 1,500,000 Existing Ordinary Shares in Plus500**

David Zruia, CEO of Plus500, Elad Even-Chen, CFO of Plus500 and Nir Zats, CMO of Plus500 (together the "**Selling Shareholders**"), announce their intention to sell 1,500,000 existing ordinary shares (the "**Shares**") in the capital of Plus500. The Shares represent approximately 2.14% of the Company's issued share capital (excluding ordinary shares held in treasury).

The Shares will be sold on the secondary market to Goldman Sachs International ("**Goldman Sachs**") as principal, with the sale intermediated by Panmure Liberum Limited ("**Panmure Liberum**"). Goldman Sachs may or may not onward sell the Shares. Plus500 is not a party to the transaction and will not receive any proceeds from the transaction.

The transaction is being undertaken by the Selling Shareholders for personal financial and tax planning purposes. The Selling Shareholders have not sold any shares in the Company since its IPO 13 years ago and remain highly committed to the Company's long-term strategy, growth trajectory and value creation for shareholders.

Further details are set out below.
