Switch Metals plc
("Switch Metals" or the "Company")

Updated Investor Presentation

Switch Metals (AIM: SWT), the critical metals company focused on tantalum and lithium in Côte d'Ivoire, is pleased to announce that it has published an updated investor presentation on its website.

The presentation incorporates recent operational progress and strategic positioning, including:

- Advancement toward the maiden tantalum Mineral Resource Estimate at Issia
- Pilot wash plant operational and ongoing resource development activities
- Confirmation of lithium potential within the broader pegmatite corridor
- Continued focus on establishing an ethical, conflict-free supply of critical metals

The presentation can be accessed via the following link:
