**Notice of Results**

Quartix Technologies plc provides the following update in relation to the its Annual Report and Financial Statements for the year ended 31 December 2025 ("2025 Annual Report").

On 23 February 2026, the Company released a statement confirming that the release date of the 2025 Annual Report was expected to be Monday 23 March 2026. However, the Company's Auditor PKF Littlejohn LLP ("PKF") has now requested additional time to finalise the audit process, primarily the completion of the audit of current taxation in both the UK and French tax jurisdictions following the change in accounting policy announced on 11 February 2026. The Directors have been advised by PKF that the audit is substantially complete and that there are no material audit issues causing this delay.

The Company will continue to work closely with PKF and now expects to release the audited results for the year ended 31 December 2025 on Wednesday 25 March 2026.
