COHORT PLC
("Cohort", "the Company" or "the Group")

CONTRACT ANNOUNCEMENT
EID AWARDED €42.3M CONTRACT FOR PORTUGAL

Cohort, the independent technology group, is pleased to announce that its Portuguese subsidiary EID has been awarded a contract with a value of €42.3M to deliver Integrated Communication Systems (ICS) and Networks to the Portuguese Navy. The systems will be used in the Navy's new fleet, including Supply and Offshore Patrol Vessels. Delivery will take place over the period to 2029.

Andy Thomis, Cohort Chief Executive, said:

"The award of this contract underlines EID's position as a trusted provider of integrated communications systems that enhance maritime security and operational effectiveness.

"Together with the recent contract win announced by EM Solutions for satellite communications terminals it demonstrates the strength of Cohort Group's relationship with the Portuguese Navy. We are proud to support their modernisation programme with capabilities across the Group that align with their evolving operational requirements.

"This contract further underpins our order book and enhances the visibility of future revenues."
