

STAND VIGIL AGAINST YOUR FOE. WARHAMMER 40,000: CHAOS GATE - DEATHWATCH ANNOUNCED FOR PC AND CONSOLES

Suffer Not The Alien to Live. Lead the Imperium's sentinels with turn-based tactical precision in the sequel to the critically acclaimed Warhammer Chaos Gate - Daemonhunters

Frontier Developments plc (AIM: FDEV), and Complex Games, in collaboration with Warhammer are excited to announce *Warhammer 40,000: Chaos Gate - Deathwatch*. Sequel to the hugely popular *Warhammer 40,000: Chaos Gate - Daemonhunters*, *Deathwatch* will launch on PC, PlayStation®5, and Xbox Series X|S.

Lead the Long Vigil and take command of an elite Deathwatch Kill Team in the next brutal chapter of this critically acclaimed turn-based tactical RPG. Supported by agents of the Inquisition and Astra Militarum as newly sanctioned Inquisitors, commanders will wage war to drive back deadly Xenos threats and resist the corrupting forces of Chaos. In *Warhammer 40,000 Chaos Gate - Deathwatch* every decision matters. Each engagement will test players' discipline and strategy with broader class identity, new squad customisation, and challenging new missions across an epic campaign. Build the ultimate squad with a wide range of specialists from fanatical Inquisitorial agents to elite Deathwatch battle brothers, all of which introduce unique roles, abilities, and wargear. Plus, commanders seeking unmatched combat can trial their tactics in Skirmish mode, which offers fully customisable standalone battles for total control of the battlefield.

In the grim darkness of the far future, there is only war. *Warhammer 40,000: Chaos Gate - Deathwatch's* campaign showcases the brutality of Warhammer 40,000 through a narrative set on a galactic scale. Rising to power as Interrogator Bastian Rath, players are thrust into command amid a conspiracy threatening the stability of the Tyrian expanse. Across scorched planets, commanders will decide the fate of the sector and the Imperium's future within it as they uncover the truth left behind in the wake of Inquisitor Rykov.

For *Warhammer 40,000: Chaos Gate - Deathwatch* combat has been redefined and the variety of allies, foes and battlefields expanded. During the campaign, commanders will face seven enemy factions as they build and lead a squad with up to nine playable classes. Recruit and customise the best of the best from across the Imperium and combine classes, weapons, abilities, and Space Marines from unique chapters to form the ultimate Kill Team, bringing devastation to those who would threaten the Imperium. Make use of the environment to crush foes, deliver brutal executions to continue the fight, or storm the battlefield with an array of towering vehicles including the Redeptor Dreadnought, Scout Sentinel, and Leman Russ tank.

Complex Games have worked closely with the experts at Warhammer to ensure authenticity at scale. The core of *Warhammer 40,000 Chaos Gate - Deathwatch's* development has been bringing the grim darkness of the 41st millennium to life. Armour, Chapter heraldry, wargear, insignias, and battle-scarred environments have been purposefully crafted to ensure they faithfully reflect the history and brutality of eternal war.
