Publication of Report on Payments to Governments for the year ended 31 December 2025

27 May 2026

Rio Tinto paid US 9.9 billion of taxes and royalties and a further US 1.9 billion on behalf of its employees during 2025.

Our report on payments to governments made by Rio Tinto and its subsidiary undertakings for the year ended 31 December 2025 as required under the UK's Report on Payments to Governments Regulations 2014 (as amended in December 2015) has been filed at Companies House. The report also satisfies the requirements of Rule 4.3A of the Disclosure and Transparency Rules of the Financial Conduct Authority in the United Kingdom.

We also continue to publish on a voluntary basis, our annual Taxes and Royalties Paid Report 2025. This report provides more comprehensive information than the mandatory filing and includes the wider payments made by Rio Tinto to governments in each of the main countries in which we operate. It also includes information about our tax strategy including our tax policy, our commitment to transparency and our approach to responsible tax principles. This report, coupled with our annual Country-by-Country Report applies in full the requirements of the "Tax" standard (GRI 207) of the Global Sustainability Standards Board of the Global Reporting Initiative.

Our Taxes and Royalties Paid Report 2025 report is available to download at:
