Â

The Warrants are being granted on substantially the same basis as the expired instruments, with the same number of warrants being reallocated to the same recipients, save for:

Â

- â€¢Â Â Â Â the removal of allocations to former directors who have passed away;
- â€¢Â Â Â Â an increase in allocation to a key employee; and
- â€¢Â Â Â Â an increase in allocation to Mark Trafeli and Vladmir Kusznirczuk, the Companyâ€™s non-executive directors.

Â

136,000,000 Warrants will be exercisable at 2.5 pence each, and 133,500,000 Warrants will be exercisable at 5 pence each. All Warrants will expire on **31 December 2028** . The Warrants vest immediately and are being issued under a new warrant instrument.

Â

The purpose of the grant is to ensure continued alignment of management, employees and consultants with shareholders following the lapse of the previous warrant arrangements.

Â

An additional 5,000,000 of the old warrants originally issued to the late former Non-Executive Director; Reg Eccles remain in issue until December 2026.

Â

Â

Related Party Transaction

The grant of Warrants to Directors of the Company, being Francesco Gardin, Mark Trafeli and Vladimir Kusznirczuk (or their service companies), constitutes a related party transaction for the purposes of Rule 13 of the AIM Rules for Companies.

Â

As all of the Directors are being issued with Warrants, there are no Directors independent of the issue of Warrants. Accordingly, SP Angel Corporate Finance LLP, the Companyâ€™s nominated adviser, considers that the terms of the above grant of Warrants are fair and reasonable insofar as the Company's shareholders are concerned.

Â

Further details of the transactions for the purposes of Article 19 of the UK Market Abuse Regulation are set out below.
