Total Voting Rights

Pursuant to DTR 5.6.1 of the FCA's Disclosure and Transparency Rules, Glencore notifies the following:

At close of business on 30 June 2026, Glencore's issued share capital consisted of 13,003,464,600 ordinary shares. Each ordinary share carried one voting right except for 1,265,485,108 shares which Glencore held in treasury.

Therefore, the total number of voting rights in Glencore at that date was 11,737,979,492.

The above figure of 11,737,979,492 may be used by shareholders as the denominator for the calculations by which they will determine if they are required to notify their interest in, or a change to their interest in, the Company under the Financial Conduct Authority's Disclosure Guidance and Transparency Rules.

This change reflects the purchase by the Company's employee benefit trust on 25 June 2026 of 2,623,933 treasury shares at market value (£13,675,938.80).

A copy of this announcement will be made available on the Company's website (www.glencore.com).

Notes for Editors

Glencore is one of the world's largest global diversified natural resource companies and a major producer and marketer of more than 60 commodities. Through a network of assets, customers and suppliers that spans the globe, we produce, process, recycle, source, market and distribute the commodities that advance everyday life.

With over 140,000 employees and contractors and a strong footprint in over 30 countries in both established and emerging regions for natural resources, our marketing and industrial activities are supported by a global network of offices.

Glencore's customers are principally industrial consumers, such as those in the automotive, steel, power generation, battery manufacturing and oil sectors. We also provide financing, logistics and other services to producers and consumers of commodities.
