Plus500 Ltd.

("Plus500" or the "Company")

Director/PDMR Dealing and Total Voting Rights

Plus500, a global multi-asset fintech group operating technology-based trading platforms, announces that on 26 August 2026 it issued ordinary shares of NIS 0.01 ("Ordinary Shares") out of the Ordinary Shares held in treasury in connection with awards previously granted under the Company's existing remuneration arrangements.

As previously approved by shareholders at the Company's most recent Annual General Meeting held on 5 May 2026, the vesting timetable for the share awards originally due to vest at the end of 2027 has been accelerated to the end of 2026. As a result, 1,459,738 Ordinary Shares relating to these awards have been allotted into a trust arrangement. Furthermore, this does not represent a new or additional award.

For administrative efficiency, the Company has also allotted 1,274,474 Ordinary Shares relating to the awards otherwise due to vest at the end of 2026. Representing a technical acceleration of the allotment from December 2026.

The 2026 and 2027 awards remain subject to KPIs. The accelerated timing of the awards does not impact on the aggregate number of shares awarded or the applicable performance conditions.

Following the final assessment of performance at the end of the year, any shares attributable to performance conditions that have not been satisfied will be forfeited in accordance with the rules of the relevant incentive plans.

The Company does not currently expect any further allotment of shares to David Zruia, Chief Executive Officer or Elad Even-Chen, Chief Financial Officer before the end of 2027.

Total Voting Rights

Following the issue of the above-mentioned Ordinary Shares on 26 August 2026 and following the repurchase of 13,150 Ordinary Shares on 26 August 2026, as of 26 August 2026, the number of Ordinary Shares in issue was 71,224,677 (excluding treasury shares) and the Company held 43,663,700 Ordinary Shares in treasury. Therefore, the total voting rights in the Company as of 26 August 2026 was 71,224,677. This figure may be used by shareholders as the denominator for the calculations by which they will determine if they are required to notify their interest in, or a change to their interest in, the Company under the FCA's Disclosure Guidance and Transparency Rules.
