Maximum Tender Amount and Proration

The aggregate principal amount of Notes purchased will not exceed U.S. 250 million. If the aggregate principal amount of Notes validly tendered and not validly withdrawn exceeds the Maximum Tender Amount, acceptance of the Notes will be subject to proration.

All Notes not accepted as a result of proration will be returned to the tendering Holder. A separate tender instruction must be submitted on behalf of each beneficial owner of the Notes, given the potential proration.

Offer Conditions

The Tender Offer is subject to the satisfaction or waiver of certain conditions described in the Offer to Purchase, including the Financing Condition, which has been satisfied. The Company's obligation to accept for purchase, and pay for, validly tendered Notes that have not been validly withdrawn, if applicable, is subject to, and conditioned upon, satisfaction or, where applicable, waiver of, the conditions to the Tender Offer.
