**Caledonia Files NI 43-101 Technical Reports on SEDAR+ Supporting August 28, 2026
Mineral Resource Announcements**

(NYSE AMERICAN, AIM and VFEX: CMCL)

St Helier, October 13, 2026 - Caledonia Mining Corporation Plc ("Caledonia" or the "Company") announces that, further to its announcements on August 28, 2026 regarding the maiden mineral resource estimates at Motapa and the updated mineral resource estimates for Blanket Mine, it has now filed the related National Instrument 43-101 ("NI 43-101") technical reports on SEDAR+.

The mineral resource reports are available for review under the Company's profile on SEDAR+ at <https://www.sedarplus.ca>. The filing of the mineral resource reports does not result in any material changes to the scientific or technical information contained in the August 28, 2026 announcements.

The life of mine plan for Blanket Mine is in development, the finalisation of which is expected to result in an updated mineral reserve estimate before the end of this year.
