Dear Mr. Dickey:

We have reviewed your amended registration statement and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter by amending your registration statement and providing the requested information. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your registration statement and the information you provide in response to these comments, we may have additional comments. Unless we note otherwise, our references to prior comments are to comments in our August 9, 2019 letter.

Amendment No. 4 to the Form F-4 filed August 12, 2019

Comparative Historical and Unaudited Pro Forma Per Share Data, page 34

1. We note your response to comment 4 and the inclusion of footnote (d) on page 34. Since you expect material changes in capitalization to occur after the latest balance sheet date and those changes will result in a material reduction to earnings per share, please revise the historic per share data of Akazoo on page 34 to reflect the pro forma effects of this 100-for-1 stock split. We note that you provided similar disclosure in footnote (B) to your Pro Forma Condensed Combined Statement of Operations for the year ended December 31, 2018 on page 128.
