PART C BUSINESS INFORMATION

Item 8: The nature of the issuer's business.

We are a vertically integrated manufacturer of eco-friendly building products located in the city of Pingdingshan in Henan Province, China. We are the leading producer of fly-ash bricks and concrete in Pingdingshan. In late April 2015, we launched our construction waste hauling operations in Pingdingshan, and with the collected construction waste, have added crushed construction waste, or recycled aggregates, and bricks made from recycled aggregates, or recycled bricks, to our product offerings. Since then, we have also expanded our hauling and recycling operations beyond Pingdingshan.

Yulong is a holding company incorporated under the laws of the Cayman Islands on March 10, 2011. In March 2011, Yulong sold and issued 800,000 shares to its founding shareholder. In May 2011, Yulong sold and issued 360,000 ordinary shares to 10 investors.

Through a corporate restructuring in December 2011, the shareholders of Yulong BVI exchanged all of their outstanding ordinary shares of Yulong BVI for 6,840,000 ordinary shares of Yulong pursuant to the terms and conditions of a share exchange agreement dated December 11, 2011, (the "Exchange Agreement"). As a result, Yulong acquired all of the equity interests in Yulong BVI and Yulong BVI became a wholly-owned subsidiary of Yulong.

On July 1, 2015, we closed our initial public offering of 2,250,000 ordinary shares at \$6.25 per share for gross proceeds of approximately \$14 million before deducting underwriting discounts and commissions and offering expenses payable by us.

On November 9, 2017, the Company effected a one-for-five reverse stock split (the "Reverse Stock Split") of its outstanding ordinary shares. The Company's ordinary shares opened for trading on the NASDAQ Capital Market on November 9, 2017 on a post-split basis.

The Reverse Stock Split is intended to increase the share trading price of the Company's ordinary shares to satisfy the \$1.00 minimum bid price requirement for continued listing on the NASDAQ Capital Market. When the reverse stock split becomes effective, every five (5) shares of ordinary shares will automatically convert into one (1) share of ordinary shares with no change in par value per share. This reduced the number of shares outstanding as of November 9, 2017 from approximately 12,055,324 to approximately 2,411,065. Any fractional shares resulting from the reverse stock split will be rounded up to the next whole share. There is no impact on the actual trading of the Company's shares. We will continue to trade on the NASDAQ Capital Market without interruption under the symbol YECO. The new CUSIP number for the ordinary shares following the reverse split will be G98847208.

On September 3, 2018, YECO's shareholders approved the acquisition of Millennium Sapphire from Millennium Enterprise LLC ("ME"), a Wyoming Corporation. The Purchase and Sale Agreement between Millennium Enterprises LLC and Yulong Eco-Materials Limited was effective on August 22, 2018. The purchase price to be paid by Yulong to ME for the Millennium Sapphire is US\$50,000,000 in YECO shares. YECO shall deliver 25,000,000 in YECO 144 shares.

On February 26, 2019, the Company filed a Form 6-K disclosing that the acquisition of the Millennium Sapphire had been cancelled and all 25,000,000 shares had been returned to treasury.

On October 25, 2018, the Company's shareholders approved the sale of Yulong BVI including its business, assets, liabilities and debts in China to Wellford International Enterprises Limited ("Wellford"), a British Virgin Islands Corporation. The Sale and Purchase Agreement was signed on October 30, 2018. The Company agreed to sell and Wellford agreed to acquire Yulong BVI for US\$15 million. The sale includes all the assets, liabilities and debts of Yulong BVI's business in China.

On November 1, 2018, the Company moved its headquarters in New York City located at 387 Park Avenue South, 5th Floor, New York City, NY10016.

On November 1, 2018, the Company received a "Staff Determination Letter" from Nasdaq pursuant to the business combination resulting in a "Change of Control" according to Nasdaq Listing Rule 5110(a). After the business combination, Yulong was required to satisfy all of Nasdaq's initial listing criteria and complete Nasdaq's initial listing process, including the payment of all applicable fees and up to date SEC filings. The Annual 20F filing was not completed or filed due to the fact that the previous management would not cooperate with the Company auditor. The Company had filed an appeal and paid a \$10,000 Hearing Fee to Nasdaq. The delisting action referenced in the Nasdaq's Staff Determination Letter has been stayed until a final written decision by the Nasdaq Hearings Panel. The hearing is scheduled for December 13, 2018. This appeal was denied and on April 2, 2019 NASDAQ filed a notification via the SEC to report the removal from listing and registration of the Company's shares.

On November 7, 2018, the Company closed a US\$3 million private placement with an institutional investor. We sold 1 million ordinary shares at a price of \$3.00 per share for gross proceeds of US\$3 million. In connection with the private placement, the Company issued a warrant to purchase up to 1 million shares at an exercise price of \$5.00 per share. The warrants are immediately exercisable and expire five years from the date of issuance.

On January 2, 2019, the "Company received a letter from GC & Associates CPAs PLLC, the Company's independent registered public accounting firm, notifying the Company that it had encountered significant difficulties in obtaining from management of the Company's disposed subsidiaries in China information necessary to perform and complete its audit of the Company's financial statements for the year ended June 30, 2018, which period is prior to the Company's acquisition of the Millennium Sapphire pursuant to that certain Purchase and Sale Agreement dated August 22, 2018 as filed with the Company's Form 6-K filed with the Securities and Exchange Commission on October 19, 2018.

On January 11, 2019, the Company filed a Form 6-K disclosing the following: On November 7, 2018, Yulong Eco-Materials Limited (the "Company") and CVI Investments, Inc. ("CVI") entered into the Purchase Agreement (the "Purchase Agreement") for the purchase and sale of 1,000,000 ordinary shares ("Shares") of the Company ("Ordinary Shares") and Ordinary Share Purchase

Warrants (“Warrants”) for an aggregate purchase price of \$3,000,000. On December 13, 2018, the Company disclosed in its current report on Form 6-K that the Company’s Ordinary Shares would be delisted from The NASDAQ Stock Market. On January 11, 2019, the Company disclosed in its current report on Form 6-K that the Company’s auditors advised the Company that they had encountered significant difficulties in obtaining the information and records necessary for the completion of the audit of the Company’s financial statements for the year ended June 30, 2018. Such information and records related to the operation of the Company prior to the acquisition by the Company of the Millennium Sapphire. As a result of the Company’s inability to complete its audit, the Company is unable to file its Annual Report on Form 20-F.

The terms of the Purchase Agreement require the Company to maintain its listing on The Nasdaq Stock Market and remain current in its filings with the Securities and Exchange Commission. Due to the Company’s inability to meet its obligations under the Purchase Agreement, the parties have agreed to enter into a Rescission Agreement and a Loan and Security Agreement. On January 28, 2019, the Company entered into the Rescission Agreement with CVI Investments, Inc. (“CVI”) pursuant to which the Company agreed to rescind the issuance of 500,000 of the Shares in consideration for the payment of \$1,500,000. Additionally, on February 6, 2019, the Company entered into a Loan and Security Agreement pursuant to which the Company issued a promissory note to CVI in the principal amount of \$2,500,000 in consideration for the return to the Company of balance of the Shares plus all of the Warrants. As security for the Company’s obligations to CVI under the promissory note, the Company agreed to grant CVI a security interest in the Millennium Sapphire. Pursuant to the terms of the Loan and Security Agreement, each party agreed to a general release of their respective rights and obligations under the Purchase Agreement.

Additionally, on February 26, 2019 the Company filed a Form 6-K disclosing that On September 11, 2018, shareholders of the Company agreed to acquire the carved, blue sapphire known as the Millennium Sapphire for US\$50 million via the issuance of 25 million restricted shares of the Company. However, effective January 31, 2019 the Board of Directors agreed to rescind and cancel the Millennium Sapphire acquisition together with any and all intellectual property associated with the Millennium Sapphire. This decision was based on the disclosures the Company received from its auditing firm, GC & Associates CPAs PLLC, concerning the failure of the original owners of the Chinese assets to provide the information or files required to complete a Form 20-F and the subsequent notification from the NASDAQ Stock Market that the Company’s shares would be suspended from trading on NASDAQ for failure to file the Form 20-F. All parties to the Millennium Sapphire transaction have agreed to the rescission. All 25 million shares issued for the acquisition of the Millennium Sapphire have now been returned and cancelled and the Sapphire together with any and all intellectual property associated with the Millennium Sapphire have been returned to the seller.
