PART C BUSINESS INFORMATION

Item 8: The nature of the issuer's business.

On November 9, 2017, the Company effected a one-for-five reverse stock split (the "Reverse Stock Split") of its outstanding shares. The Company's shares opened for trading on the NASDAQ Capital Market on November 9, 2017 on a post-split basis.

The Reverse Stock Split was intended to increase the share trading price of the Company's ordinary shares to satisfy the \$1.00 minimum bid price requirement for continued listing on the NASDAQ Capital Market. When the reverse stock split becomes effective, every five (5) shares converted into one (1) share with no change in par value per share. This reduced the number of shares outstanding as of November 9, 2017 from approximately 12,055,324 to approximately 2,411,065. Any fractional shares resulting from the reverse stock split were rounded up to the next whole share.

On September 3, 2018, YECO's shareholders approved the acquisition of Millennium Sapphire from Millennium Enterprise LLC ("ME"), a Wyoming Corporation. The Purchase and Sale Agreement between Millennium Enterprises LLC and Yulong Eco-Materials Limited was effective on August 22, 2018. The purchase price to be paid by Yulong to ME for the Millennium Sapphire is US\$50,000,000 in YECO shares. YECO shall deliver 25,000,000 in YECO 144 shares. On February 26, 2019, the Company filed a Form 6-K disclosing that the acquisition of the Millennium Sapphire had been cancelled and all 25,000,000 shares had been returned to treasury.

On May 7, 2019, following the change of jurisdiction from the Cayman Islands to the State of Wyoming, the Company moved its headquarters to 1621 Central Avenue, Cheyenne, WY 82001.

On November 1, 2018, the Company received a "Staff Determination Letter" from Nasdaq pursuant to the business combination resulting in a "Change of Control" according to Nasdaq Listing Rule 5110(a). After the business combination, Yulong was required to satisfy all of Nasdaq's initial listing criteria and complete Nasdaq's initial listing process, including the payment of all applicable fees and up to date SEC filings. The Annual 20F filing was not completed or filed due to the fact that the previous management would not cooperate with the Company auditor. The Company had filed an appeal and paid a \$10,000 Hearing Fee to Nasdaq. The delisting action referenced in the Nasdaq's Staff Determination Letter had been stayed until a final written decision by the Nasdaq Hearings Panel. The hearing was scheduled for December 13, 2018. This appeal was denied and on April 2, 2019 NASDAQ filed a notification via the SEC to report the removal from listing and registration of the Company's shares.

On November 7, 2018, the Company closed a US\$3 million private placement with an institutional investor. We sold 1 million shares at a price of \$3.00 per share for gross proceeds of US\$3 million. In connection with the private placement, the Company issued a warrant to purchase up to 1 million shares at an exercise price of \$5.00 per share. The warrants were immediately exercisable and expire five years from the date of issuance.

On January 11, 2019, the Company filed a Form 6-K disclosing the following: On November 7, 2018, Yulong Eco-Materials Limited (the "Company") a Cayman islands corporation and CVI Investments, Inc. ("CVI") entered into the Purchase Agreement (the "Purchase Agreement") for the purchase and sale of 1,000,000 common shares ("Shares") of the Company and Share Purchase Warrants ("Warrants") for an aggregate purchase price of \$3,000,000. On December 13, 2018, the Company

disclosed in its current report on Form 6-K that the Company's Common Shares would be delisted from The NASDAQ Stock Market. On January 11, 2019, the Company disclosed in its current report on Form 6-K that the Company's auditors advised the Company that they had encountered significant difficulties in obtaining the information and records necessary for the completion of the audit of the Company's financial statements for the year ended June 30, 2018. Such information and records related to the operation of the Company prior to the acquisition by the Company of the Millennium Sapphire. As a result of the Company's inability to complete its audit, the Company was unable to file its Annual Report on Form 20-F.

The terms of the Purchase Agreement required the Company to maintain its listing on The Nasdaq Stock Market and remain current in its filings with the Securities and Exchange Commission. Due to the Company's inability to meet its obligations under the Purchase Agreement, the parties have agreed to enter into a Rescission Agreement and a Loan and Security Agreement. On January 28, 2019, the Company entered into the Rescission Agreement with CVI Investments, Inc. ("CVI") pursuant to which the Company agreed to rescind the issuance of 500,000 of the Shares in consideration for the payment of \$1,500,000. Additionally, on February 6, 2019, the Company entered into a Loan and Security Agreement pursuant to which the Company issued a promissory note to CVI in the principal amount of \$2,500,000 in consideration for the return to the Company of balance of the Shares plus all of the Warrants. As security for the Company's obligations to CVI under the promissory note. Pursuant to the terms of the Loan and Security Agreement, each party agreed to a general release of their respective rights and obligations under the Purchase Agreement.

Additionally, on February 26, 2019 the Company filed a Form 6-K disclosing that On September 11, 2018, shareholders of the Company agreed to acquire the carved, blue sapphire known as the Millennium Sapphire for US\$50 million via the issuance of 25 million restricted shares of the Company. However, effective January 31, 2019 the Board of Directors agreed to rescind and cancel the Millennium Sapphire acquisition together with any and all intellectual property associated with the Millennium Sapphire. This decision was based on the disclosures the Company received from its auditing firm, GC & Associates CPAs PLLC, concerning the failure of the original owners of the Chinese assets to provide the information or files required to complete a Form 20-F and the subsequent notification from the NASDAQ Stock Market that the Company's shares would be suspended from trading on NASDAQ for failure to file the Form 20-F. All parties to the Millennium Sapphire transaction have agreed to the rescission. All 25 million shares issued for the acquisition of the Millennium Sapphire have now been returned and cancelled and the Sapphire together with any and all intellectual property associated with the Millennium Sapphire have been returned to the seller.

Effective March 5, 2019, the "Company reported the resignation of William Bossung, Norman Macasaet and Jeffrey Bergman from their positions as directors. Additionally, the Company reports the resignation of Edward Low from the position of Chief Financial Officer. Mr. Bossung, Mr. Macasaet and Mr. Bergman have served as directors since December 7, 2018. Mr. Low has also served as Chief Financial Officer since that date. Daniel Mckinney, currently serving as the Chief Executive Officer and director, will remain as the sole officer and director.

On March 12, 2019, the Company received formal notification from NASDAQ on Form 25 (Notification filed by national security exchange to report the removal from listing and registration of matured, redeemed or retired securities) that the Company's shares had been removed from Listing or Registration from trading on the NASDAQ Exchange under Section 12(b) of the Securities and Exchange Act of 1934.

Upon completion, the Company ceased to be a foreign issuer and became a domestic issuer in the United States. Subsequently, effective May 7, 2019, Yulong Eco-Materials Limited received written notification from the Wyoming Secretary of State that the Articles of Continuation had been accepted by the State of Wyoming and filed accordingly. The completion of the filing with the Wyoming Secretary of State formally established the domestic, United States jurisdiction of the Company. A copy of the Articles of Continuance was filed as Exhibit 3.4 as part of the December 31, 2019 Annual report.

On July 1, 2019, the Company filed Form 15 with the Securities and Exchange Commission: Notice of Termination of Registration of a Class of Securities Under Section 12 to terminate or suspend the duty to file reports.

Legal Proceedings:

On July 3, 2019, Yulong Eco-Materials Limited filed Case No. CGC-19-576129 against Ridgeway Smith in the State of California Superior Court, County of San Francisco to recover a stock loan to Smith of \$500,000. The Company and Defendant Smith had entered into a written contract whereby the Company agreed to buy, and Smith agreed to sell, an alleged Michelangelo painting for 7.5 million shares of The Company stock for an agreed upon value of \$75 million. As additional consideration for the sale, The Company orally agreed to provide Smith with a stock loan for \$500,000, which was collateralized by the Company stock issued to Smith. Subsequent to the loan, the agreement for the acquisition of the painting was cancelled and on August 7, 2020, a total of 7,500,000 shares were cancelled and returned to treasury. Due to delays in the legal proceedings and the serious illness of the lawyer representing the Company, the lawsuit for return of the \$500,000-loan has not been finalized.
