Originally, we were a manufacturer of eco-friendly building products located in the city of Pingdingshan in Henan Province, China. We are the leading producer of fly-ash bricks and concrete in Pingdingshan. In late April 2015, we launched our construction waste hauling operations in Pingdingshan, and with the collected construction waste, have added crushed construction waste, or recycled aggregates, and bricks made from recycled aggregates, or recycled bricks, to our product offerings. Since then, we have also expanded our hauling and recycling operations beyond Pingdingshan. Our products were primarily sold to developers of commercial, residential and infrastructural projects, and include both state-owned and private enterprises. Our hauling customers include government agencies and private real estate developers. For fiscal year ended June 30, 2017, one customer accounted for 14.3% of our total revenue. The largest brick customer, accounted for 8.1% of our brick revenue and 2.9% of our total revenue. The largest concrete customer, Construction Engineering Group Co., Ltd., accounted for 24.2% of our concrete revenue and 13.9% of our total revenue. The largest hauling customer, , accounted for 20.2% of our hauling revenue and 0.4% of our total revenue. The largest waste processing services customer, , accounted for 78.3% of our waste processing services revenue and 3.8% of our total revenue. The largest customer of recycle aggregates, accounted for 34.5% of our recycled aggregates revenue and 0.01% of our total revenue. The largest customer of recycled bricks, accounted for 23.4% of our recycled brick revenue and 0.1% of our total revenue. None of our customers is related to or affiliated with us. As of the date of this filing, the Company has ceased to administer any of the subsidiaries reported by previous management. Additionally, the Company has requested but not received information about the subsidiaries reported as owned by previous management.

All of business operations were conducted through four consolidated affiliated entities: Yulong Concrete which commenced operations in 2004, Yulong Bricks in 2006, Yulong Transport in 2009, and Yulong Renewable in late April 2015. Yulong Bricks is a limited liability company established in China, and its business scope includes production and sales of fly-ash bricks and sales of building materials, steel, general merchandise and hardware. However, lawsuits initiated by various Chinese government agencies cast substantial doubt on the ability of these former subsidiaries to continue to exist, let alone progress.

On September 3, 2018, YECO's shareholders approved the acquisition of Millennium Sapphire from Millennium Enterprise LLC ("ME"), a Wyoming Corporation. The Purchase and Sale Agreement between Millennium Enterprises LLC and Yulong Eco-Materials Limited was effective on August 22, 2018. The purchase price to be paid by Yulong to ME for the Millennium Sapphire is US\$50,000,000 in YECO shares. YECO shall deliver 25,000,000 in YECO 144 shares. On November 1, 2018, the Company moved its headquarters in New York City located at 387 Park Avenue South, 5<sup>th</sup> Floor, New York City, NY10016.

On November 1, 2018, the Company received a "Staff Determination Letter" from Nasdaq pursuant to the business combination resulting in a "Change of Control" according to Nasdaq Listing Rule 5110(a). After the business combination, Yulong was required to satisfy all of Nasdaq's initial listing criteria and complete Nasdaq's initial listing process, including the payment of all applicable fees and up to date SEC filings. The Annual 20F filing was not completed or filed due to the fact that the previous management would not cooperate with the Company auditor. The Company had filed an appeal and paid a \$10,000 Hearing Fee to Nasdaq. The delisting action referenced in the Nasdaq's Staff Determination Letter has been stayed until a final written decision by the Nasdaq Hearings Panel. The hearing is scheduled for December 13, 2018. This appeal was denied and on April 2, 2019 NASDAQ filed a notification via the SEC to report the removal from listing and registration of the Company's shares.

On November 7, 2018, the Company closed a US\$3 million private placement with an institutional investor. We sold 1 million ordinary shares at a price of \$3.00 per share for gross proceeds of US\$3 million. In connection with the private placement, the Company issued a warrant to purchase up to 1 million shares at an exercise price of \$5.00 per share. On December 13, 2018, the Company disclosed in its current report on Form 6-K that the Company’s Ordinary Shares would be delisted from The NASDAQ Stock Market. On January 11, 2019, the Company disclosed in its current report on Form 6-K that the Company’s auditors advised the Company that they had encountered significant difficulties in obtaining the information and records necessary for the completion of the audit of the Company’s financial statements for the year ended June 30, 2018. Such information and records related to the operation of the Company prior to the acquisition by the Company of the Millennium Sapphire. As a result of the Company’s inability to complete its audit, the Company is unable to file its Annual Report on Form 20-F.

The terms of the Purchase Agreement require the Company to maintain its listing on The Nasdaq Stock Market and remain current in its filings with the Securities and Exchange Commission. Due to the Company’s inability to meet its obligations under the Purchase Agreement, the parties have agreed to enter into a Rescission Agreement and a Loan and Security Agreement. On January 28, 2019, the Company entered into the Rescission Agreement with CVI Investments, Inc. (“CVI”) pursuant to which the Company agreed to rescind the issuance of 500,000 of the Shares in consideration for the payment of \$1,500,000. Additionally, on February 6, 2019, the Company entered into a Loan and Security Agreement pursuant to which the Company issued a promissory note to CVI in the principal amount of \$2,500,000 in consideration for the return to the Company of balance of the Shares plus all of the Warrants. As security for the Company’s obligations to CVI under the promissory note, the Company agreed to grant CVI a security interest in the Millennium Sapphire. Pursuant to the terms of the Loan and Security Agreement, each party agreed to a general release of their respective rights and obligations under the Purchase Agreement. Additionally, on February 26, 2019 the Company filed a Form 6-K disclosing that On September 11, 2018, shareholders of the Company agreed to acquire the carved, blue sapphire known as the Millennium Sapphire for US\$50 million via the issuance of 25 million restricted shares of the Company. However, effective January 31, 2019 the Board of Directors agreed to rescind and cancel the Millennium Sapphire acquisition together with any and all intellectual property associated with the Millennium Sapphire. This decision was based on the disclosures the Company received from its auditing firm, GC & Associates CPAs PLLC, concerning the failure of the original owners of the Chinese assets to provide the information or files required to complete a Form 20-F and the subsequent notification from the NASDAQ Stock Market that the Company’s shares would be suspended from trading on NASDAQ for failure to file the Form 20-F. All parties to the Millennium Sapphire transaction have agreed to the rescission.
