Use and Definition of Non-GAAP Financial Measures

Adjusted EBITDA in addition to our Net income (loss) determined in accordance with GAAP for purposes of evaluating operating performance, the Company uses an Adjusted EBITDA is computed as Net income (loss) appearing on the Condensed Consolidated Statements of Operations net of Income tax expense/(benefit), Interest expense on a contract of an executive compensation and annotization and additional significant lines as set forth below. Our management uses Adjusted EBITDA is expense/(benefit), Interest expense and ordanis significant lines as set forth below. Our management uses Adjusted EBITDA is expensed by the companies of the

- EBITDA excludes the effects of financings, investing activities and tax structure by eliminating the effects of interest, depreciation and income tax.
- Other significant items, while periodically affecting our results, may vary significantly from period to period and have a disproportionate effect in a given period, which affects comparability of results. We have adjusted our results for these items to make our statements more comparable and therefore more useful to investors as the items are not representative of our ongoing operations.
 - For the 13 weeks ended April 28, 2023, we excluded the one-time closing costs of Lands' End Japan KK, a subsidiary of Lands' End, Inc., ("Lands' End Japan").
 - o For the 13 weeks ended April 28, 2023, we excluded the loss on disposal of property and equipment.
 - o For the 13 weeks ended April 28, 2023 and April 29, 2022, we excluded the amortization of transaction related costs associated with Third Party distribution channel.
