

THIS AGREEMENT is dated 20th day of October 2023

BETWEEN:

- (1) **CHINA OVERSEAS GRAND OCEANS GROUP LIMITED (中國海外宏洋集團有限公司)**, a company incorporated in Hong Kong with limited liability whose registered office is situated at Suites 701-702, 7th Floor, Three Pacific Place, 1 Queen's Road East, Hong Kong ("COGO"); and
- (2) **CHINA STATE CONSTRUCTION INTERNATIONAL HOLDINGS LIMITED (中國建築國際集團有限公司)**, a company incorporated in the Cayman Islands with limited liability whose registered office is situated at Cricket Square, Hutchins Drive, P.O. Box 2681, Grand Cayman, KY1-1111, Cayman Islands ("CSC").

BACKGROUND

- (A) Both COGO (stock code: 81) and CSC (stock code: 3311) are companies listed on the Main Board of the Stock Exchange (as defined below).
- (B) COGO considers that the COGO Group (as defined below) engaging the CSC Group (as defined below) as construction contractor of the construction works of the COGO Group (as defined below) in the PRC upon a successful tender by the CSC Group (as defined below) will allow the COGO Group (as defined below) to secure a more diverse base of construction contractors to participate in the construction works of the COGO Group (as defined below) in the PRC.
- (C) CSC considers that being able to participate in the construction works of the COGO Group (as defined below) in the PRC as construction contractor upon a successful tender allows the CSC Group (as defined below) to strengthen and further develop its construction business and qualifications in the PRC.
- (D) On 19 November 2020, COGO and CSC entered into the Engagement Agreement (as defined below) in respect of the engagement of the CSC Group (as defined below) as construction contractor for the construction works of the COGO Group (as defined below) in the PRC for a term of three years commenced from 1 January 2021 and ending on 31 December 2023.
- (E) In view of the fact that (i) the CSC Group (as defined below) may tender for the construction works of the COGO Group (as defined below) in the PRC as construction contractor in accordance with the tendering procedures of the COGO Group (as defined below) from time to time for a term of three years commencing from 1 January 2024 and ending on 31 December 2026 subject to the Caps (as defined below); and (ii) the COGO Group (as defined below) may engage the CSC Group (as defined below) as construction contractor for the construction works of the COGO Group (as defined below) in the PRC upon the successful tender by the CSC Group (as defined below), the Parties (as defined below) agree to enter into this Agreement to record the terms of the Transactions (as defined below) starting from 1 January 2024 subject to this Agreement becoming effective (i.e. the satisfaction of the conditions precedent set out in Clause 2 below).

- (F) As at the date of this Agreement, COHL (as defined below) holds approximately 64.81% of the issued share capital of CSC and approximately 39.63% of the issued share capital of COGO. Accordingly, under Chapter 14A of the Listing Rules (as defined below), members of the COGO Group (as defined below) are connected persons of CSC and members of the CSC Group (as defined below) are connected persons of COGO. As such, certain transactions between CSC Group (as defined below) on one hand, and COGO Group (as defined below) on the other hand will constitute continuing connected transactions for each of COGO and CSC under the Listing Rules (as defined below).

NOW IT IS HEREBY AGREED as follows:-

<i>Nature of the Transactions</i>	<p>(a) The CSC Group may tender for the COGO Group’s construction works in the PRC as construction contractor in accordance with the tendering procedures of the COGO Group from time to time for a term of three years commencing from 1 January 2024 and ending on 31 December 2026 subject to the Caps.</p> <p>(b) The COGO Group may engage the CSC Group as construction contractor for the COGO Group’s construction works in the PRC upon the CSC Group’s successful tender.</p>
<i>Terms of the Transactions (including pricing basis)</i>	<p>(a) Any member of the CSC Group may tender for the construction works of the COGO Group in the PRC in accordance with the tendering procedures of the COGO Group from time to time and on the same and normal terms as offered to other independent third party construction contractors.</p> <p>(b) The CSC Group has maintained standard and systematic tender submission procedures to review the feasibility and profitability of tenders to be submitted and to decide the contents and pricing terms of the tender to be submitted. Such procedures apply to tenders to be submitted to both connected persons and independent third parties. The procedures generally involve (i) receiving invitations to tender/publication of tender notices; (ii) initial assessment of tender documents; (iii) further planning and estimation; (iv) preparation for tender report and internal tender adjudication; and (v) tender submission. In preparing and assessing the tender documents, member(s) of the CSC Group will take into account factors including technical requirements, quantity specifications, expected completion time, customer’s expectations and possible risk factors associated with a project. Member(s) of the CSC Group will then perform site inspection, formulate a tentative construction program and conduct quantitative costs analysis and risk assessment. The CSC Group also maintains an in-house computer database of costs information for materials supplied and contract prices from contractors for the CSC Group’s previous projects and peripheral operation, which can assist the CSC Group to conduct quantitative comparison between quotations obtained from contractors and materials suppliers. If contract is granted to member(s) of the CSC Group, the relevant project owner in the COGO Group will issue a letter of award to the member(s) of the CSC Group to confirm the CSC Group member(s)’ engagement.</p>

	<p>(c) In conducting the COGO Group’s invitations to tender, review of tenders and tender selection, the participation of the member(s) of the CSC Group in the tender process shall not in any way affect the COGO Group’s tender procedures, contract terms and selection principles. Member(s) of the CSC Group shall be treated in the same way as independent third parties. The price and terms of the tenders awarded by member(s) of the COGO Group to member(s) of the CSC Group for the COGO Group’s construction works in the PRC are subject to the standard and systematic tender procedures maintained by the COGO Group, which apply to tenders submitted by both connected persons and independent third parties to ensure that the price and terms of the tender awarded by the COGO Group to CSC Group are no more favourable than those awarded to independent third parties. The procedures involve (i) invitations to tenders from contractors in the COGO Group’s approved list; (ii) tendering and selection of tenders, where the winning bid will usually be the one conforming to the technical requirements with a reasonable and minimum price offered.</p> <p>(d) If any contract is granted in favour of any member of the CSC Group as a result of the above tender, such member of the CSC Group may act as construction contractor for the COGO Group’s construction works in the PRC based on the terms of the successful tender provided that the total contract sums of the construction works that may be awarded by member(s) of the COGO Group to member(s) of the CSC Group for the three-year period commencing from 1 January 2024 and ending on 31 December 2026 shall not exceed the Caps.</p> <p>(e) The fees in respect of the construction works payable by the COGO Group to the CSC Group will be settled pursuant to the payment terms set out in the tender documents for the specific construction contracts.</p>
