Please respond to this letter by amending your registration statement and providing the requested information. If you do not believe a comment applies to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

Amendment No. 1 to Form F-1 filed September 12, 2024

<u>General</u>

We note your response to prior comment 1 and reissue in part. Your revisions reflect a conversion price of the shares issuable upon conversion of the Convertible Note to be "ninety percent (90%) of the average of the three (3) lowest daily VWAPs during the twenty (20) Trading Days prior to the payment date per share selected by the Investor, provided that the conversion price may not be less than \$0.029 (the "Floor Price")." However, as reflected in the Convertible Note, now filed as Exhibit 10.9, the Conversion Price is defined as meaning \$0.213 subject to certain adjustments and is not dependent on the market price of your outstanding shares. Please revise your disclosure throughout this registration statement accordingly.
