

Disclaimer

This presentation has been prepared by Yiren Digital solely for information purposes. This presentation does not constitute an offer to sell or issue or an invitation or recommendation to purchase or subscribe for any securities of the Company for sale in the United States or anywhere else.

This material contains forward-looking statements. These statements constitute "forward-looking" statements within the meaning of Section 21E of the Securities Exchange Act of 1934, as amended, and as defined in the U.S. Private Securities Litigation Reform Act of 1995. These forward-looking statements can be identified by terminology such as "will", "expects", "anticipates", "future", "intends," "plans"," "believes," "estimates", "target", "confident" and similar statements.

Such statements are based upon management's current expectations and current market and operating conditions, and relate to events that involve known or unknown risks, uncertainties and other factors, all of which are difficult to predict and many of which are beyond Yiren Digital's control. Forward-looking statements involve risks, uncertainties and other factors that could cause actual results to differ materially from those contained in any such statements.

Potential risks and uncertainties include, but are not limited to, uncertainties as to Yiren Digital's ability to attract and retain borrowers and investors on its marketplace, its ability to introduce new loan products and platform enhancements, its ability to compete effectively, PRC regulations and policies relating to the credit-tech and wealth management business in China, general economic conditions in China, and Yiren Digital's ability to meet the standards necessary to maintain listing of its ADSs on the NYSE or other stock exchange, including its ability to cure any non-compliance with the NYSE's continued listing criteria.

Further information regarding these and other risks, uncertainties or factors is included in Yiren Digital's filings with the U.S. Securities and Exchange Commission. All information provided in this material is as of the date of this material, and Yiren Digital does not undertake any obligation to update any forward-looking statement as a result of new information, future events or otherwise, except as required under applicable law.

Our Vision

"Our vision is to elevate customers' life quality by delivering AI-powered digital services, while also empowering the technological capabilities of selected sectors."

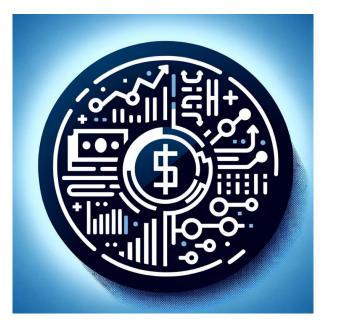

Better tech. Better life.

Company Overview

A Leading Al-Driven Financial & Lifestyle Services Platform

Diversified Business Lines Driving Innovation and Value

Financial Services

Revolving loan services provide liquidity to individuals, families, and businesses, aiding in financial health by offering balanced repayment and consumption plans.

Life & Property Insurance

Customized insurance services to cater to wide-ranging needs in education, healthcare, retirement planning, asset protection, and business growth.

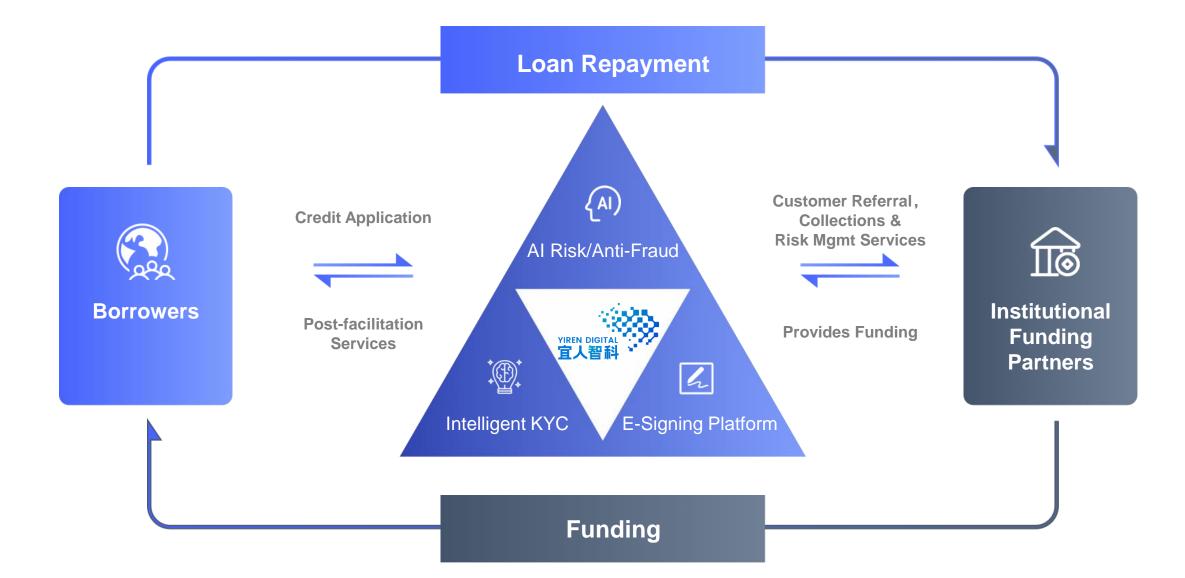

Consumption and lifestyle

Satisfying diverse quality-of-life needs through membership benefits and various products and services, including entertainment, travel, skincare and more.

Financial Services: Technology Driven Loan Facilitation Model

Revolving Financing Services

Precise Targeting, Diverse Acquisition

Average Principal Amt RMB 4k-6k Loan Tenor 3, 6, 9 or 12 months Flexible repayment options

Strong Risk Control Capability

Extensive Data Accumulation

- 18 years of experience and data accumulation in the credit-tech business
 Strong capability to understand data across economic cycles and the lifecycle of loans.
- Over 100 million of registered users, and millions of customers' database

Comprehensive Credit Data • 20+ Credit Enhancement Agencies , 50+ Products.

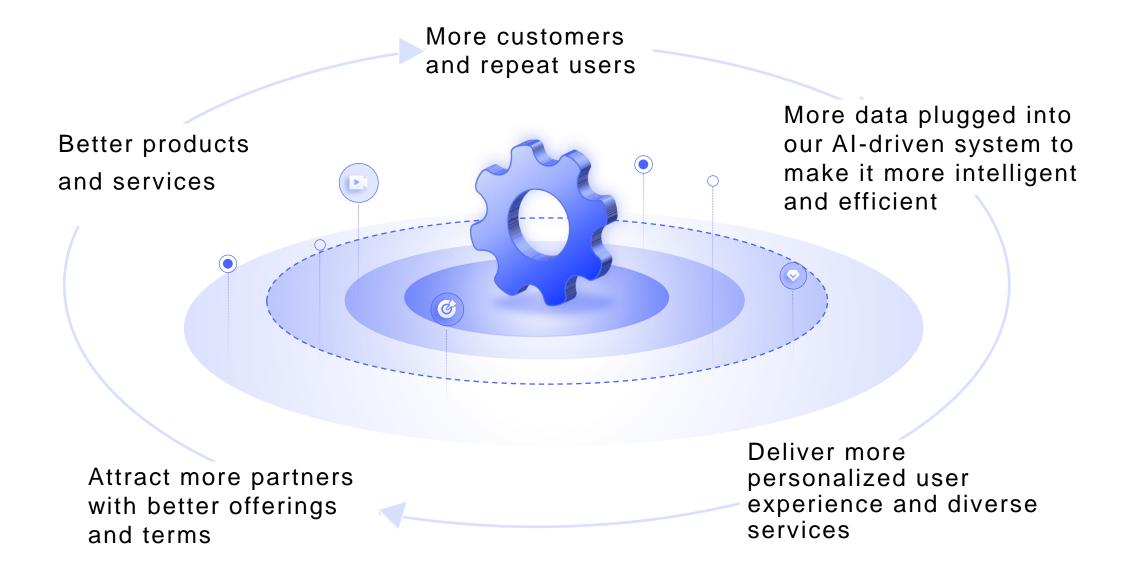

Over **5,000 dimensions** of external data are incorporated.

- Rich data pool covering credit records, income details, bank statements, consumption records, shopping behaviors, anti-fraud info etc.
- Identified approx. **10,000** features based on the second-generation credit reports

Anti-fraud and Blacklist Database

- Implemented a social-network-based anti-fraud monitoring system.
- Owns a **600 million-entry** blacklist, covering high-bit IDs, phone numbers, devices, and IP addresses.

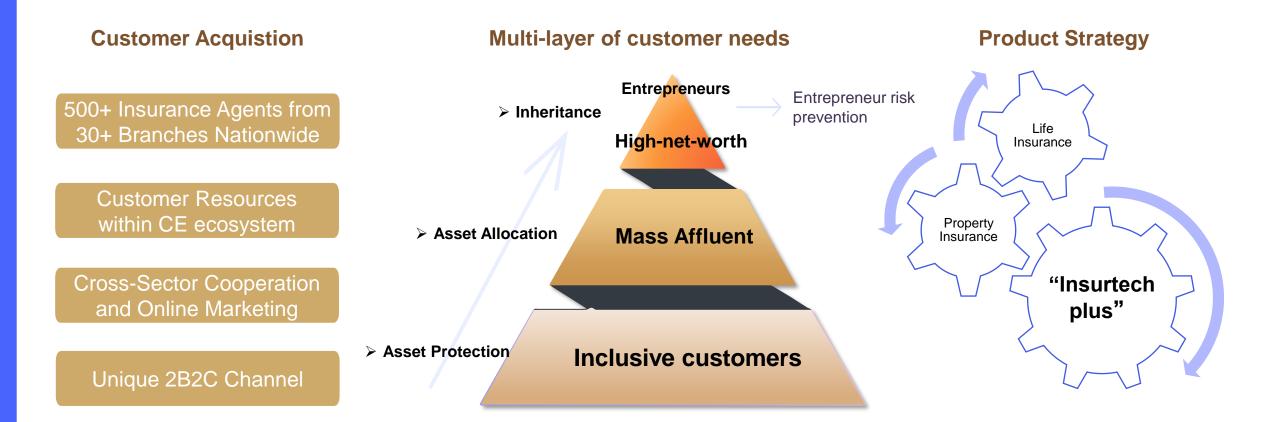

Data-powered Flywheel to Drive Growth

Insurance: Providing Full Spectrum Products and Services

Competitive edges: 1) Nationwide business deployment

- 2) Experienced teams on property, life insurance and internet industry
- 3) Strong capacities in product innovation and market expansion

Note: As a licensed insurance broker, Hexiang does not take any underwriting risks.

Insurance Growth Strategy: 2B2C Model

Customized Scenario-based Insurance products under 2B2C model

2B Corporate Clients

After being served by Hexiang, working with Hexiang to design tailor-made insurance products for its own customers, realizing additional revenue stream.

Partially transformed into 2B corportate clients by Hexiang.

Hexiang Insurance

Serving both 2B and 2C clients with diversified products.

Corporate's Customers

Provided with Hexiang's scenariobased insurance products embedded into related consumption platforms.

Customization & Digitalization

Servicing Capabilities

Tech-driven KYC

Rich Application Scenarios

Medicine & Healthcare

Travel & Leisure

d

Wealth & Finance

Engineering & Construction

Property Insurance + Life Insurance

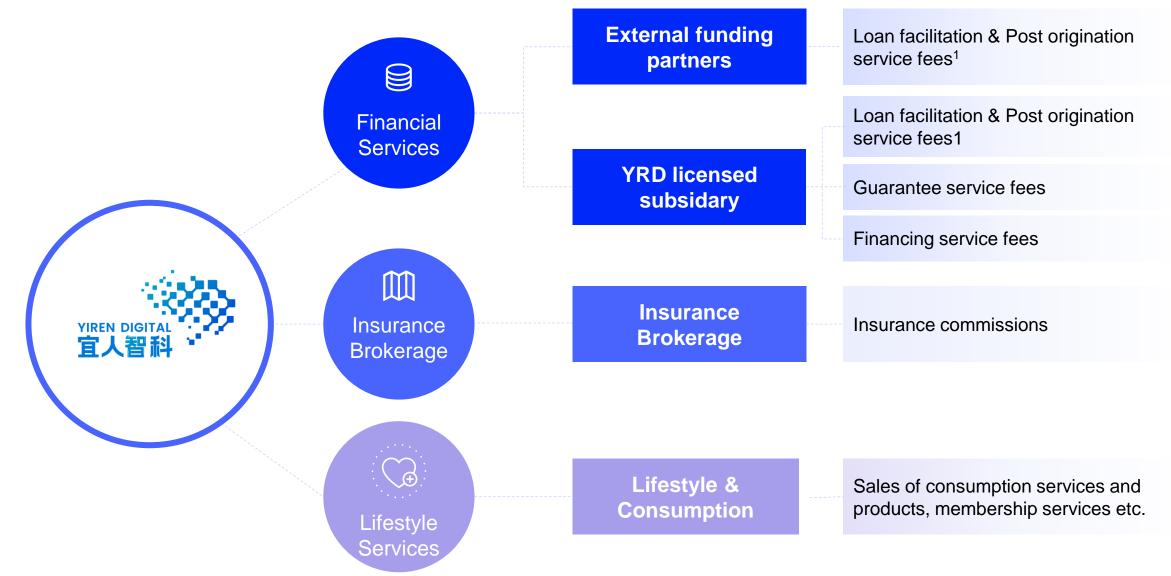

Insurance Ecosystem

Note: As a licensed insurance broker, Hexiang does not take any underwriting risks.

Insurance: Diverse and Rich Resources and Networks

Revenue Models and Monetization

Note1: Including customer acquisition, risk profiling, collection, etc.

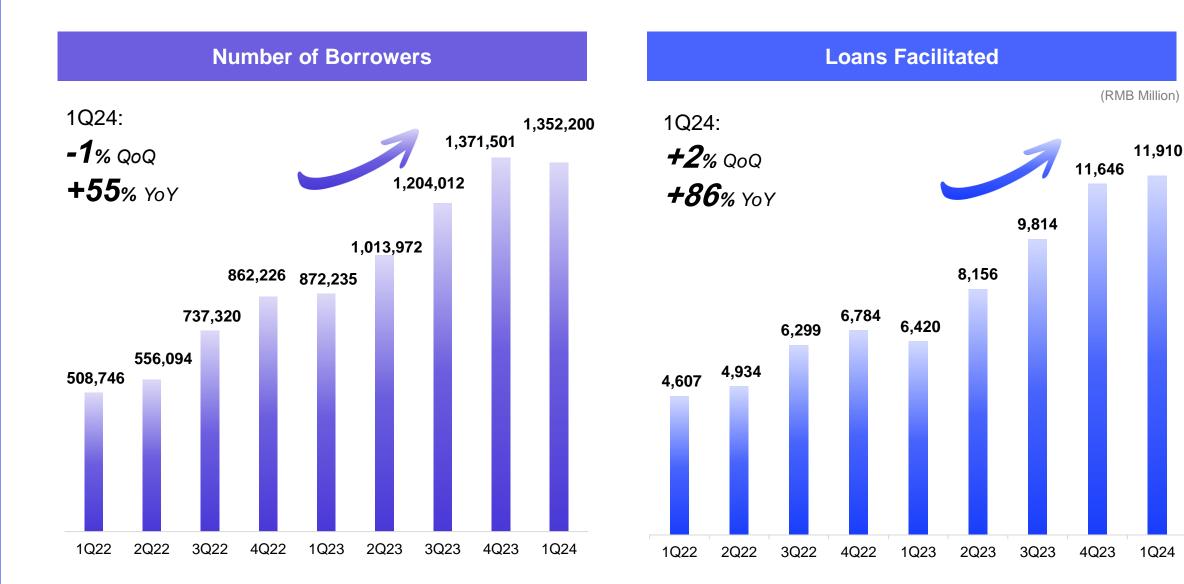

What We Achieved in 1Q24

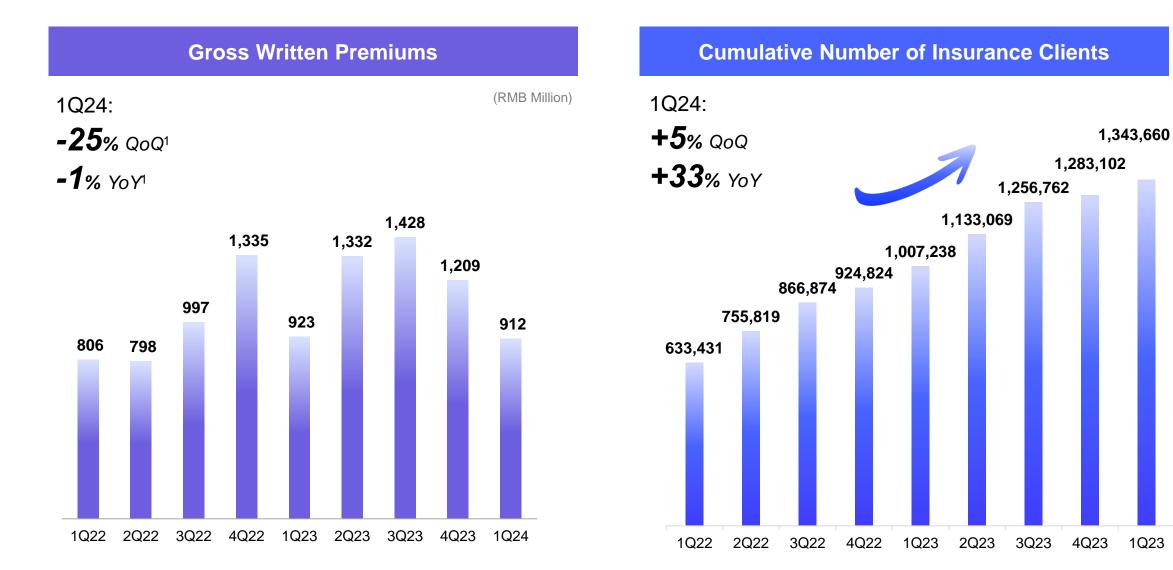

- Stable growth in revenue and business scale with strong profitability
- Strong cash position and ample free cash flow
- 'AI Lab' enhances core competitive advantages across all operations

Continuous Expansion in Borrower Base Driving Stable Volume Growth

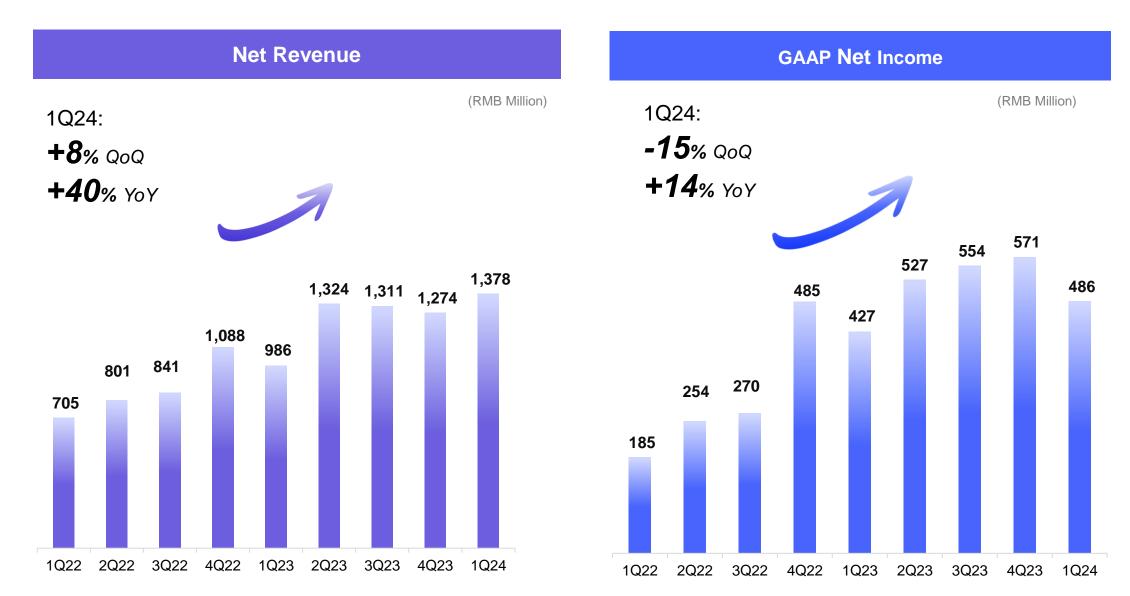

Insurance Brokerage Business : Key Strategic Pillar

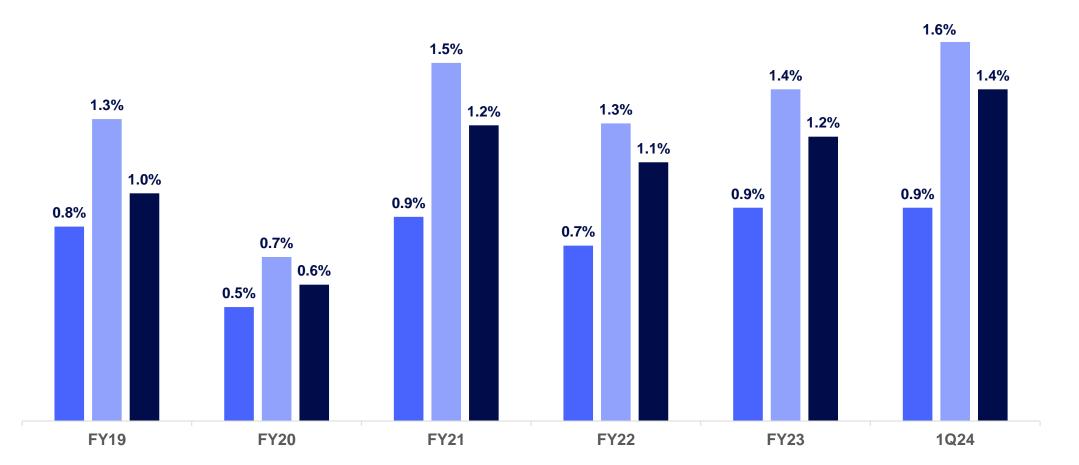

Note1: The decrease in gross written premium in 1Q24 was due to the decreased volume of life insurance following product changes under the new regulations.

Stable Growth with Increased Business Scale

Delinquency Rates

■ 15-29 days ■ 30-59 days ■ 60-89 days

Future Strategies

Financial service business

Expanding customer base and increasing line of credits for high quality borrowers through constantly-evolving AI systems and improved services

Insurance brokerage

Proactively adapting products and partnerships to embrace new regulations in the short-term, and enhancing partnerships via both 2B2C and B2B models while expanding market reach through long-term product innovation and customization

03

International expansion

The financial services business in Southeast Asia is thriving and strategically expanding into global markets, capitalizing on insights and expertise acquired from its business activities in the Philippines

Al upgrade

02

04

Developing an LLMOps platform and LLMs for fintech and selected sectors, fostering a leading Alpowered service platform for both individuals and businesses.

Investment Highlights

Diversified Business Lines Driving Innovation and Value

Comprehensive services covering a wide range of financial needs and consumption demands, strong synergies, healthy unit economics with multiple growth drivers

A Leading AI Business in the Making

Harnessing AI expertise from fintech verticals to extend services to selected sectors, a highly scalable LLMOps platform with open-source functionalities, and an expanding AI ecosystem through strategic partnerships

High Profitability and Sufficient Cash Reserve

Continued growth in profitability with improved operational efficiency, strong cash position ready to seize any new opportunities ahead

18 Years of Operation & Strong Management Team

01

Strong management team with decades of experience in the industry, solid operation fully tested by external changing environment
