None of the Company or any of its affiliates, advisers, or representatives or the underwriters accept any responsibility whatsoever (in negligence or otherwise) for any loss howsoever arising from any information presented or contained in this presentation or otherwise arising in connection with the presentation. The information presented or contained in this presentation is subject to change without notice and its accuracy is not guaranteed.

This presentation does not constitute an offer to sell or issue or an invitation to purchase or subscribe for any securities of the Company for sale in the United States or anywhere else. No securities of the Company may be sold in the United States without registration with the United States Securities and Exchange Commission (the “SEC”) or an exemption from such registration pursuant to the Securities Act of 1933, as amended (the “Securities Act”) and the rules and regulations thereunder. No part of this presentation shall form the basis of or be relied upon in connection with any contract or commitment whatsoever. Specifically, these materials do not constitute a “prospectus” within the meaning of the Securities Act. This presentation does not contain all relevant information relating to the Company or its securities, particularly with respect to the risks and special considerations involved with an investment in the securities of the Company and is qualified in its entirety by reference to the detailed information in the prospectus relating to the proposed offering. The Company has filed a registration statement on Form F-1 with the SEC relating to its securities to be offered in the United States, but the registration statement has not yet become effective. Any public offering of the Company’s securities to be made in the United States will be made solely on the basis of the information contained in the statutory prospectus included in such registration statement. The prospectus contains detailed information about the Company, its subsidiaries and affiliated entities, management, the consolidated financial statements and risks and uncertainties associated with its business and industry. Any decision to purchase the Company’s securities in the proposed offering should be made solely on the basis of the information contained in the prospectus relating to the proposed offering.

Certain statements in this presentation, and other statements that the Company may make, are forward-looking statements within the meaning of Section 27A of the Securities Act and Section 21E of the Securities Exchange Act of 1934, as amended. These statements reflect the Company’s intent, beliefs or current expectations about the future. These statements can be recognized by the use of words such as “expects,” “plans,” “will,” “estimates,” “projects,” “intends,” “anticipates,” “believes,” “confident” or words of similar meaning. These forward-looking statements are not guarantees of future performance and are based on a number of assumptions about the Company’s operations and other factors, many of which are beyond the Company’s control, and accordingly, actual results may differ materially from these forward-looking statements. The Company or any of its affiliates, advisers, or representatives or the underwriters has no obligation and does not undertake to revise forward-looking statements to reflect future events or circumstances.

In evaluating its business, the Company uses certain non-GAAP measures as supplemental measures to review and assess its operating performance. These non-GAAP financial measures have limitations as analytical tools, and when assessing the Company’s operating performances, investors should not consider them in isolation, or as a substitute for net income attributable to the Company or other consolidated statement of operations data prepared in accordance with U.S. GAAP.
