BURLINGTON, N.C., April 29, 2025 – Labcorp (NYSE: LH), a global leader of innovative and comprehensive laboratory services, today announced results for the first quarter ended March 31, 2025 and updated full-year guidance.

"Labcorp delivered solid performance in the first quarter of 2025," said Adam Schechter, chairman and CEO of Labcorp. "While the macroeconomic environment remains dynamic, the critical nature of the work we do in diagnostics and drug development positions us well for success in 2025 and beyond. We continue to progress our pipeline of attractive acquisitions and partnerships and further expand our test menu in four strategic areas, including oncology, women's health, autoimmune disease and neurology."

In the first quarter, Labcorp advanced its position as a partner of choice for hospitals, health systems and regional/local laboratories:

- Entered into a strategic collaboration with New Jersey-based Inspira Health to manage operations of hospital laboratories and to serve as the primary lab for their physician network.
- Agreed to acquire select assets of BioReference Health's innovative oncology and related clinical testing services businesses.
- Completed the acquisition of select assets of North Mississippi Health Services' ambulatory outreach laboratory business and became a referral laboratory for its seven hospitals and clinic laboratories.

Labcorp also continued to incorporate the power of science, innovation and advanced technology across the organization during or subsequent to the quarter:

- Introduced Labcorp® Plasma Complete, a groundbreaking liquid biopsy test to aid in personalized cancer treatment decisions.
- Introduced HPV and STI self-collection options in Labcorp patient service centers and physician
 offices.
- Launched pTau-217/Beta Amyloid 42 Ratio test, a new blood-based biomarker test to aid in the diagnosis of Alzheimer's disease.
- Expanded Labcorp OnDemand test menu with new offerings to help consumers manage their health and well-being.
- Launched eClaim Assist, a next-generation digital platform that introduces smarter workflows to improve efficiencies in billing, payer alignment and denials.

On April 10, 2025, Labcorp announced a quarterly cash dividend of \$0.72 per share of common stock, payable on June 11, 2025, to stockholders of record at the close of business on May 29, 2025.

On April 15, 2025, Labcorp issued its 2024 Corporate Responsibility Report. The report demonstrates how the company is pursuing a healthier future as it advances its mission to improve health and improve lives.

Use of Adjusted Measures

The company has provided in this press release and accompanying tables "adjusted" financial information that has not been prepared in accordance with GAAP, including adjusted net income, adjusted EPS (or adjusted net income per share), adjusted operating income, adjusted operating margin, free cash flow, and certain segment information. The company believes these adjusted measures are useful to investors as a supplement to, but not as a substitute for, GAAP measures, in evaluating the company's operational performance. The company further believes that the use of these non-GAAP financial measures provides an additional tool for investors in evaluating operating results and trends, and growth and shareholder returns, as well as in comparing the company's financial results with the financial results of other companies. However, the company notes that these adjusted measures may be different from and not directly comparable to the measures presented by other companies. Reconciliations of these non-GAAP measures to the most comparable GAAP measures and an identification of the components that comprise "special items" used for certain adjusted financial information are included in the tables accompanying this press release.

The company today is providing an investor relations presentation with additional information on its business and operations, which is available in the investor relations section of the company's website at www.Labcorp.com. Analysts and investors are directed to the website to review this supplemental information.
