Dear Amit Takur:

Please respond to this letter by amending your registration statement and providing the requested information. If you do not believe a comment applies to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your registration statement and the information you provide in response to this letter, we may have additional comments.

Amendment No. 1 to Registration Statement on Form F-1

Management, page 66

1. We note your disclosure on pages 68 and 69 where you state that your board consists of eight directors. However, in your management section on page 66 you only identify six directors. Please revise to reconcile this discrepancy or advise. Additionally, the signature section on page II-5 provides the signature of four directors. Instruction 1 to Signatures of Form F-1 requires a registration statement be signed by at least a majority of the board of directors or persons performing similar functions. Ensure at least a majority of the board of directors signs the registration statement.
