

**CURRENT REPORT  
OF  
VISLINK TECHNOLOGIES INC.**

**10. Changes in Issuer's Certifying Accountant.**

On September 12, 2025, the Board of Directors (the "Board") of Vislink Technologies, Inc. a Delaware corporation (the "Company"), upon the recommendation of the Audit Committee of the Board (the "Audit Committee"), approved the dismissal of CBIZ CPAs P.C. formerly Marcum LLP ("Marcum") as the Company's independent registered public accounting firm, and the appointment of Weaver and Tidwell, LLP ("Weaver"). Neither of Marcum's reports on the financial statements of the Company for either of the past two prior fiscal years contained an adverse opinion or disclaimer of opinion, nor were they modified as to uncertainty, audit scope, or accounting principles. Marcum's dismissal was not the result of any disagreement between the Company and Marcum regarding any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to Marcum's satisfaction, would have caused it to make reference to the subject matter of the disagreement(s) in connection with its report.
