Adoption of the Fifth Amended and Restated Memorandum and Articles of Association

On October 15, 2025, Kairous Acquisition Corp., a Cayman Islands exempted company with limited liability (the “Company”) held its extraordinary general meeting of the members of the Company (the “Meeting”), at 518/5 Maneeya Center Building, 6th Floor, Lumpini, Patumwan, Bangkok, Thailand 10330 at 10:00am local time. A member of the Company that attended the Meeting (the “Significant Shareholder”) holds 2,143,143 ordinary shares, with the voting power of 67.715%, out of the total 3,164,938 issued and outstanding ordinary shares of the Company as of the record date of September 22, 2025 entitled to vote at the Meeting. Each ordinary share is entitled to one vote. This constituted a quorum.

At the Meeting, the Significant Shareholder voted for the adoption by the Company of a special resolution, to delete the current Fourth Amended and Restated Memorandum and Articles of Association of the Company in its entirety and to substitute it with the Fifth Amended and Restated Memorandum and Articles of Association of the Company (the “Fifth M&AA”), for the purpose of removing the provisions relating to a special purpose acquisition company, such as the obligation to liquidate and dissolve the Company, to allow the Company to continue being quoted on OTC Markets Group Inc. and pursue alternative opportunities. Such opportunities may include, without limitation, a merger, capital stock exchange, asset acquisition, stock purchase, reorganization, or similar business combination with one or more businesses. The Fifth M&AA became effective immediately upon approval by the Significant Shareholder at the Meeting.

Certification

The undersigned hereby certifies the following:

1. I have reviewed this Current Report of Kairous Acquisition Corp.
2. Based on my knowledge, this Current Report does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made, in light of the circumstances under which such statements were made, not misleading with respect to the period covered by this Current Report.
