Titan Mining Corporation has filed with the Commission and the NYSE American an application to register its Common Shares on the exchange, pursuant to Section 12(b) of the Securities Exchange Act of 1934.

In accordance with Section 12(d) of the Exchange Act, the authorities of the exchange have certified to the Commission that they have approved the class of securities for listing and registration.

Titan Mining Corporation requests that the registration be made effective before 30 days have expired since the Commission received the exchange's certification.

The request for acceleration appears to be appropriate in the public interest and for the protection of investors. Therefore, it is **ORDERED** that the registration on the NYSE American shall become effective immediately.
