The Bonds shall bear interest from and including the date of its issue to and including 31 December 2025 at the rate of four and a half per cent. (4.5%) per annum on the outstanding principal amount thereof, and from and including 1 January 2026 to and including 31 December 2027 at the rate of zero per cent. (0%) per annum on the outstanding principal amount thereof. Interest shall be accrued daily on a 365-day basis and is payable monthly on the last day of each month after the issue of the Bonds and

up to and including 31 December 2025 (or such later date as the Company and the Bondholder(s) may agree) (the “**Interest Payment Date**”). If an Interest Payment Date would otherwise fall on a day which is not a Business Day, it shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month in which event it shall be brought forward to the immediately preceding Business Day.

5. **CONVERSION**

(A) **Conversion Right**

- (i) **Conversion Period:** Subject as hereinafter provided, Bondholders have the right to convert their Bonds into Shares at any time during the Conversion Period referred to below.

The right of a Bondholder to convert the principal amount (or any part(s) thereof, but excluding Interest) of the Bond into Shares is called the “**Conversion Right**”. Subject to, and upon compliance with, the provisions of this Condition, the Conversion Right attaching to any Bond may only be exercised, at the option of the holder thereof, from the date of this Instrument up to 4:00 p.m. (Hong Kong time) on the day immediately prior to and exclusive of the Maturity Date (as defined in Condition 8(A)) (the “**Conversion Period**”) in amounts (the “**Conversion Amount**”) not less than a whole multiple of HK\$500,000 on such conversion, save that if at any time the outstanding principal amount of the Bond held by a Bondholder is less than HK\$500,000, or if a Bondholder intends to exercise the Conversion Rights attached to the entire principal amount of all the Bonds held by him, the Bondholder may convert the whole (but not part only) of the such outstanding principal amount of the Bonds.

The right of the converting Bondholder to repayment of the principal amount of the Bond, and premium (if any), being converted shall only be extinguished and released on either: (i) the allotment and issue of Shares credited as paid up in full by the Company as provided in this Condition 5 and the name of the converting Bondholder having been entered on the Hong Kong branch register of Shareholders as the holder of such Shares or such other register of members of the Company as the exercising Bondholder may select; or (ii) the redemption of the relevant Bond by the Company in cash as provided in these Conditions.

If the Bondholder is a Clearing House representing different ultimate beneficiaries of the Bonds, such Bondholder may act upon instructions of the relevant ultimate beneficiary and convert the Bond to which such ultimate beneficiary is beneficially entitled in whole or in part (in whole multiples of HK\$500,000) of its outstanding principal amount into Conversion Shares during the Conversion Period.

The number of Conversion Shares to be issued on each conversion will

be determined by dividing the principal amount specified in the Conversion Notice by the Conversion Price applicable on the Conversion Date. Fractions of Shares will not be issued on conversion and the amount representing such fraction will be retained by the Company and no payment will be made to the Bondholder in respect of such fraction, provided always that for the purpose of determining whether any (and if so what) fraction of a share arises, if the Conversion Right represented by a Certificate and any one or more other Certificates are exercised on the same Conversion Date by the same Bondholder, then the Conversion Rights represented by such bonds shall be aggregate.

Any calculation by the Company of the number of Conversion Shares falling to be issued on a conversion shall, in the absence of manifest error, be conclusive and binding on the Bondholder.

- (ii) **Conversion Price:** The conversion price (the “**Conversion Price**”) per Share shall be HK\$0.16 from and including the date of issue of the Bonds to and including the date immediately prior to the date of the amendment of terms provided in Clause 3 of the Deed of Amendment having become effective, and HK\$0.45 per Conversion Share from and including the date of the amendment of terms provided in Clause 3 of the Deed of Amendment having become effective to and including 31 December 2027, all subject to adjustments as hereafter described.
- (iii) **Meaning of “Shares”:** As used in these Conditions, the expression “**Shares**” means ordinary shares of par value HK\$0.1 each of the Company or shares of any class or classes resulting from any subdivision, consolidation or re-classification of those shares, which as between themselves have no preference in respect of voting or dividends or of amounts payable in the event of any voluntary or involuntary liquidation or dissolution of the Company.

(B) Conversion, etc. procedure

- (i) **Conversion Notice:** To exercise the Conversion Right attaching to any Bond, the holder thereof must complete, execute and deposit at his own expense during normal business hours at the Specified Office of the Registrar a notice of conversion (a “**Conversion Notice**”) in duplicate in the form (for the time being current) obtainable from the Specified Office of the Registrar or in such other form that the intentions of the converting Bondholder are clearly stated, together with the relevant Certificate.

In respect of an exercise of a Conversion Right, the conversion date in respect of relating Bond (the “**Conversion Date**”) will be deemed to be: (a) except in the case described in (b) below, the Business Day immediately following the date of the surrender of such Bond and delivery of Conversion Notice therefor or; (b) where the date of surrender and delivery as aforesaid is the record date for any distribution

or other right exercisable in respect of the Shares, the Conversion Date shall be deemed to be such date of surrender and delivery. A Conversion Notice once delivered shall be irrevocable.

- (ii) **Capital duty etc.:** The Company shall pay any taxes and capital, stamp, issue and registration duties arising on conversion (including any taxes or transaction levies or capital or stamp duties payable in Hong Kong by the Company in respect of the allotment and issue of Shares pursuant to the Instrument and listing of the Shares on conversion) and the Company must pay all, if any, taxes arising by reference to any disposal or deemed disposal of a Bond in connection with such conversion (other than taxes on gain on disposal or Conversion Shares or the overall income of the Bondholder or similar taxes). The Company will pay all other expenses arising on the issue of Shares on conversion of Bonds and on the conversion of the Bonds.

- (iii) **Delivery of certificates and payment of redemption monies:** As soon as practicable, and in any event not later than ten (10) Business Days after the Conversion Date, the Company will, in the case of Bonds converted on exercise of the Conversion Right and in respect of which (aa) a Conversion Notice has been delivered; and (bb) the relevant Certificate deposited as required by Condition(5)(B)(i), register the person or persons designated for the purpose in the Conversion Notice as holder(s) of the relevant number of Shares in the Company's branch share register in Hong Kong and will cause the Registrar to make a certificate or certificates for the relevant Shares available for collection at its Specified Office or, if so requested in the relevant Conversion Notice, will cause the Registrar to mail (at the risk, and, if sent at the request of such person otherwise than by ordinary mail, at the expense, of the person to whom such certificate or certificates are sent) such certificate or certificates to the person and at the place specified in the Conversion Notice or make available for personal collection by the holder of the Bonds during normal business hours (Monday to Friday, 9:00 a.m. to 4:30 p.m.) at the Specified Office of the Registrar, together with any other securities, property or cash required to be delivered upon conversion or subscription and such assignments and other documents (if any) as may be required by law to effect the conversion or subscription thereof.

- (iv) **Registration date:** The person or persons specified for that purpose will become the holder of record of the number of Shares issuable upon conversion with effect from the date he is or they are registered as such in the Company's branch register of shareholders maintained in Hong Kong (the "**Registration Date**"). The Shares issued upon conversion of the Bonds will in all respects rank pari passu with the Shares in issue on the relevant Registration Date as if the Shares issued on conversion or subscription had been issued on such date (except for any right excluded by mandatory provisions of applicable law). Save as set out below, a holder of Shares issued on conversion of Bonds shall not be

entitled to any rights the record date for which precedes the relevant Registration Date.

If the record date for the payment of any dividend or other distribution (excluding the distribution element of a rights issue) in respect of the Shares is on or after the Conversion Date in respect of any Bond, but before the Registration Date, the Company will pay to the converting Bondholder or his designee an amount (the “**Equivalent Amount**”) in Hong Kong dollars equal to any such dividend or other distribution to which he would have been entitled had he on that record date been such a shareholder of record and will make the payment at the same time as it makes payment of the dividend or other distribution, or as soon as practicable thereafter, but, in any event, not later than seven days thereafter. The Equivalent Amount shall be paid by means of a Hong Kong dollar cheque drawn on a branch of a bank in Hong Kong and sent to the address specified in the relevant Conversion Notice.

If the record date for the issue of Shares to all or substantially all Shareholders as a class by way of rights or grant to all or substantially all Shareholders as a class by way of rights, options, warrants or other rights to subscribe for or purchase any Shares is on or after the Conversion Date in respect of any Bond, but before the Registration Date the Company will issue or grant to all Bondholders (or their designees) who exercised any Conversion Rights attached to the Bonds prior to the record date, such number of Shares, options, warrants or rights to subscribe for Shares by way of rights to which they would have been entitled had they on that record date been holders of the Shares falling to be issued in respect of the Conversion Rights exercised by them.

- (v) **Ranking of Shares:** The Shares issued upon conversion of the Bonds will in all respects rank *pari passu* with the Shares in issue on the relevant Conversion Date as if the Shares issued on conversion had been issued on such date and accordingly shall entitle the holders to participate in all dividends or other distributions declared, paid or made on or after the relevant Conversion Date other than any dividend or other distribution previously declared or recommended or resolved to be paid or made if the record date therefor shall be on or before the relevant Conversion Date. A holder of Shares issued on conversion of the Bonds shall not be entitled to any rights the record date for which precedes the relevant Conversion Date.

(C) Company’s undertakings

The Company will undertake in the Instrument that so long as any Bonds remain outstanding it will (a) maintain a listing for all the issued Shares on the Stock Exchange, and (b) obtain and maintain a listing for the Conversion Shares to be issued on the exercise of the Conversion Rights attaching to the Bonds on the Stock Exchange.

The Company will undertake in the Instrument to pay the expenses of the issue of, and all expenses of obtaining listing for, Conversion Shares arising on conversion of the Bonds.

The Company has also given certain other undertakings in the Instrument for the protection of the Conversion Rights.

(D) Consolidation, amalgamation or merger

In the case of any consolidation, amalgamation or merger of the Company with any other corporation (other than a consolidation, amalgamation or merger in which the Company is the continuing corporation), or in the case of any sale or transfer of all, or substantially all, of the assets of the Company, the Company will forthwith notify the Bondholders and the Registrar of such event in accordance with Condition 14 and (so far as legally possible) cause the corporation resulting from such consolidation, amalgamation or merger or the corporation which shall have acquired such assets, as the case may be, to execute an instrument supplemental to the Instrument to ensure that the holder of each Bond then outstanding will have the right (during the period in which such Bond shall be convertible) to convert such Bond into the class and amount of shares and other securities and property receivable upon such consolidation, amalgamation, merger, sale or transfer by a holder of the number of Shares which would have become liable to be issued upon conversion of such Bond immediately prior to such consolidation, amalgamation, merger, sale or transfer. Such supplemental instrument will provide for adjustments which will be as nearly equivalent as may be practicable to the adjustments provided for in the foregoing provisions of this Condition. The above provisions of this Condition 5(D) will apply in the same way to any subsequent consolidations, amalgamations, mergers, sales or transfers.

(E) Limitation

The Conversion Right shall only be exercised on the condition that the exercise of the Conversion Right and the allotment and issue of the Conversion Shares will not cause the public float of the Shares to be less than 25% (or any given percentage as required by the Listing Rules for the minimum percentage of Shares being held by the public as per Rule 8.08(1) of the Listing Rules) of the issued Shares of the Company.

6. ADJUSTMENT

(A) Subject as hereinafter provided, the Conversion Price shall from time to time be adjusted in accordance with the following relevant provisions and so that if the event giving rise to any such adjustment shall be such as would be capable of falling within more than one of sub-paragraphs (a) to (g) inclusive of this Condition 6(A) it shall fall within the first of the applicable paragraphs to the exclusion of the remaining paragraphs:

- (a) If and whenever the Shares by reason of any consolidation, sub-division or re-classification become of a different nominal amount, the Conversion Price in force immediately prior thereto shall be adjusted by multiplying it by the revised nominal amount and dividing the result by

the former nominal amount. Each such adjustment shall be effective from the close of business in Hong Kong on the day immediately preceding the date on which the consolidation, sub-division or re-classification becomes effective.

- (b) If and whenever the Company shall issue (other than in lieu of the whole or part of a cash dividend and other than issue that would amount to a capital distribution) any Shares credited as fully paid to the holders of Shares by way of capitalisation of profits or reserves (including any share premium account or capital redemption reserve fund), the Conversion Price in force immediately prior to such issue shall be adjusted by multiplying it by the following fraction:

$$\frac{A}{A + B}$$

where:

A = the aggregate nominal amount of the issued Shares immediately before such issue; and

B = the aggregate nominal amount of the Shares issued in such capitalisation.

Each such adjustment shall be effective (if appropriate retroactively) from the commencement of the day following the record date for such issue.

- (c) If and whenever the Company shall make any Capital Distribution (as defined in Condition 6(B)) to holders (in their capacity as such) of Shares (whether on a reduction of capital or otherwise) or shall grant to such holders rights to acquire for cash assets of the Company or any of its subsidiaries, the Conversion Price in force immediately prior to such distribution or grant shall be adjusted by multiplying it by the following fraction:

$$\frac{A - B}{A}$$

where:

A = the market price (as defined in Condition 6 (B)) on the date on which the Capital Distribution or, as the case may be, the grant is publicly announced or (failing any such announcement) next preceding day of the Capital Distribution or, as the case may be, of the grant; and

B = the fair market value on the day of such announcement or (as the case may require) the next preceding day, as determined in good

faith by the Independent Adviser, of the portion of the Capital Distribution or of such rights which is attributable to one Share. For avoidance of doubt, if the Capital Distribution is distributions in cash the fair market value shall be the cash value and determination by the Independent Adviser is not required.

Provided that:

- (aa) if in the opinion of the Independent Adviser, the use of the fair market value as aforesaid produces a result which is significantly inequitable, it may instead determine (and in such event the above formula shall be construed as if B meant) the amount of the said market price which should properly be attributed to the value of the Capital Distribution or rights; and
- (bb) the provisions of this sub-paragraph (c) shall not apply in relation to the issue of Shares paid out of profits or reserves and issued in lieu of a cash dividend.

Each such adjustment shall be effective (if appropriate retroactively) from the commencement of the day following the record date for the Capital Distribution or grant.

- (d) If and whenever the Company shall offer to holders of Shares new Shares for subscription by way of rights, or shall grant to holders of Shares any options or warrants to subscribe for new Shares, at a price which is less than 90% of the market price on the date of the announcement of the terms of the offer or grant, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before the date of the announcement of such offer or grant by the following fraction:

$$\frac{A + B}{A + C}$$

where:

- A = the number of Shares in issue immediately before the date of such announcement;
- B = the number of Shares which the aggregate of the amount (if any) payable for the rights, options or warrants and of the amount payable for the total number of new Shares comprised therein would purchase at such market price per Share; and
- C = the number of Shares offered for subscription or comprised in the options or warrants.

Such adjustment shall be effective (if appropriate retroactively) from the

commencement of the day next following the record date for the offer or grant.

Provided however that no such adjustment shall be made if the Company shall make a like offer or grant (as the case may be) at the same time to the Bondholders (subject to such exclusions or other arrangements as the directors of the Company may deem necessary or expedient in relation to fractional entitlements or having regard to any restrictions or obligations under the laws of, or the requirements of any recognised regulatory body or any stock exchange in any territory outside Hong Kong) as if they had exercised the Conversion Rights under the Bonds registered in their Bondholder holds out of the total principal amount of the Bonds outstanding at the time of the proposed redemption.

- (e) (aa) If and whenever the Company shall issue wholly for cash or for reduction of liabilities or for acquisition of asset any securities which by their terms are convertible into or exchangeable for or carry rights of subscription for new Shares, and the total Effective Consideration per Share (as defined below) initially receivable for such securities is less than 90% of the market price on the date of the announcement of the terms of issue of such securities, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the issue by the following fraction

$$\frac{A + B}{A + C}$$

where:

- A = the number of Shares in issue immediately before the date of the issue
- B = the number of Shares which the total Effective Consideration receivable for the securities issued would purchase at such market price per Share; and
- C = the number of Shares to be issued upon conversion or exchange of, or the exercise of the subscription rights conferred by, such securities at the initial conversion or exchange rate or subscription price.

Such adjustment shall become effective on the date of the issue.

- (bb) If and whenever the rights of conversion or exchange or subscription attached to any such securities as are mentioned in section (aa) of this sub-paragraph (e) are modified so that the total Effective Consideration per Share initially receivable for such securities shall be less than 90% of the market price on the

date of announcement of the proposal to modify such rights of conversion or exchange or subscription, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to such modification by the following fraction:

$$\frac{A + B}{A + C}$$

where:

- A = the number of Shares in issue immediately before the date of such modification
- B = the number of Shares which the total Effective Consideration receivable for the securities issued at the modified conversion or exchange price would purchase at such market price; and
- C = the number of Shares to be issued upon conversion or exchange of or the exercise of the subscription rights conferred by such securities at the modified conversion or exchange rate or subscription price.

Such adjustment shall become effective as at the date upon which such modification shall take effect. A right of conversion or exchange or subscription shall not be treated as modified for the foregoing purposes where it is adjusted to take account of rights or capitalisation issues and other events normally giving rise to adjustment of conversion or exchange terms.

For the purposes of this sub-paragraph (e), the “**total Effective Consideration**” receivable for the securities issued shall be deemed to be the consideration receivable by the Company for any such securities or the aggregate consideration deemed to be paid for such securities on acquisition of the relevant asset without any deduction of any commissions, discounts or expenses paid, allowed or incurred in connection with the issue thereof plus the additional minimum consideration (if any) to be received by the Company upon (and assuming) the conversion or exchange thereof or the exercise of such subscription rights, and the total Effective Consideration per Share initially receivable for such securities shall be such aggregate consideration divided by the number of Shares to be issued upon (and assuming) such conversion or exchange at the initial conversion or exchange rate or the exercise of such subscription rights at the initial subscription price, in each case without any deduction for any commissions, discounts or expenses paid, allowed or incurred in connection with the issue.

- (f) If and whenever the Company shall issue wholly for cash or for reduction of liabilities any Shares at a price per Share which is less than

90% of the market price on the date of the announcement of the terms of such issue, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before the date of such announcement by the following fraction:

$$\frac{A + B}{A + C}$$

where:

A = the number of Shares in issue immediately before the date of such announcement;

B = the number of Shares which the aggregate amount payable for the issue would purchase at such market price; and

C = the number of Shares so issued.

Such adjustment shall become effective on the date of the issue;

- (g) If and whenever the Company shall issue Shares for the acquisition of asset at a total Effective Consideration per Share (as defined in this sub-paragraph (g) below) which is less than 90% of the market price (as defined in Condition 6(B)) at the date of the announcement of the terms of such issue, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before the date of such announcement by the following fraction:

$$\frac{A + B}{A + C}$$

where:

A = the number of Shares in issue immediately before the date of such announcement;

B = the number of Shares which the total Effective Consideration receivable for the securities issued would purchase at such market price per Share; and

C = the number of Shares so issued.

Such adjustment shall become effective on the date of the issue.

For the purpose of this sub-paragraph (g) “**total Effective Consideration**” shall be the aggregate consideration credited as being paid for such Shares by the Company on acquisition of the relevant asset without any deduction of any commissions, discounts or expenses paid, allowed or incurred in connection with the issue thereof, and the “**total**

Effective Consideration per Share” shall be the total Effective Consideration divided by the number of Shares issued as aforesaid; and

(B) For the purposes of this Condition 6:

Any dividend charged or provided for in the accounts for any financial period shall (whenever paid and however described) be deemed to be a Capital Distribution, provided that any such dividend shall not automatically be so deemed if it is paid out of the aggregate of the net profits (less losses) accrued and attributable to the holders of Shares for all financial periods after 31 December 2021 as shown in the audited consolidated profit and loss account of the Company and its subsidiaries for each financial period ended 31 December;

“issue” shall include allot;

“market price” means the average of the closing prices of one Share on the Stock Exchange for each of the last five (5) Stock Exchange dealing days on which dealings in the Shares on the Stock Exchange took place ending on the last such dealing day preceding the day on or as of which the market price is to be ascertained;

(C) The provisions of sub-paragraphs (b), (c), (d), (e), (f) and (g) of Condition 6(A) shall not apply to:

- (a) an issue of fully paid Shares upon the exercise of any conversion rights attached to securities convertible into Shares or upon exercise of any rights (including any conversion of the Bond or any other convertible bond of the same class as this Bond) to acquire Shares provided that an adjustment has been made under this Condition 6 in respect of the issue of such securities or granting of such rights (as the case may be);

- (b) an issue of fully paid Shares upon the exercise of any subscription warrants of the Company listed on the Stock Exchange the initial exercise price of which is not less than the market price (as defined hereinabove) of the Shares on the trading day before the announcement of a proposal for the creation and issue of such warrants provided that an adjustment has been made under this Condition 6 in respect of the issue of such securities or granting of such rights (as the case may be);
 - (c) an issue of Shares or other securities of the Company or any subsidiary of the Company wholly or partly convertible into, or rights to acquire, Shares pursuant to any employee or executive share scheme whole complies with Chapter 17 of the Listing Rules adopted by the Company from time to time (including the Share Option Scheme);

In addition to any determination which may be made by the directors of the Company every adjustment to the Conversion Price shall be certified either (at the option of the Company) by the Independent Adviser of the Company for the time being or by the Independent Adviser.
- (E) Notwithstanding anything contained herein, no adjustment shall be made to the Conversion Price in any case in which the amount by which the same would be reduced in accordance with the foregoing provisions of this Condition 6 would be less than one-tenth of one cent and any adjustment that would otherwise be required then to be made shall not be carried forward.
- (F) If the Company or any subsidiary of the Company shall in any way modify the rights attached to any share or loan capital so as wholly or partly to convert or make convertible such share or loan capital into, or attach thereto any rights to acquire, Shares, the Company shall appoint the Independent Adviser to consider whether any adjustment to the Conversion Price is appropriate (and if such Independent Adviser shall certify that any such adjustment is appropriate, the

Conversion Price shall be adjusted accordingly and the provisions of Conditions 6(D), 6(E) and 6(H) shall apply).

- (G) Notwithstanding the provisions of Condition 6(A), in any circumstances where the directors of the Company shall consider that an adjustment to the Conversion Price provided for under the said provisions should not be made or should be calculated on a different basis or that an adjustment should take effect on a different date or with a different time from that provided for under the provisions, the Company may appoint the Independent Adviser to consider whether for any reason whatever the adjustment to be made (or the absence of adjustment) would or might not fairly and appropriately reflect the relative interests of the persons affected thereby and, if such Independent Adviser shall consider this to be the case, the adjustment shall be modified or nullified in such manner including without limitation, making an adjustment calculated on a different basis) and/or the adjustment shall take effect from such other date and/or time as shall be certified by such Independent Adviser to be in its opinion appropriate.
- (H) Whenever the Conversion Price is adjusted as herein provided the Company shall give notice to the Bondholder forthwith that the Conversion Price has been adjusted (setting forth the event giving rise to the adjustment, the adjustment Conversion Price in effect prior to such adjustment, the adjusted Conversion Price and the effective date thereof) and shall at all times thereafter so long as the Bond remains outstanding make available for inspection at its principal place of business in Hong Kong a signed copy of the said certificate of the Independent Adviser or (as the case may be) of the relevant Independent Adviser and a certificate signed by a director of the Company setting forth brief particulars of the event giving rise to the adjustment, the Conversion Price in effect prior to such adjustment, the adjusted Conversion Price and the effective date thereof and shall, on request, send a copy thereof to the Bondholder.
- (I) If application of any of the provisions of this Condition 6 would but for this paragraph (I) result in the Conversion Price being reduced so that on Conversion Shares shall fall to be issued at a discount to their nominal value, then the Conversion Price shall be adjusted to an amount equal to the nominal value of one Share.
