**Subject:** Magic Software Enterprises Ltd. - Contract Adjustment  
Option Symbol: 02/24/2026 - MGIC remains MGIC  
02/25/2026 - MGIC becomes MGIC1  
**Date:** 02/24/2026

On December 10, 2025, Shareholders of Magic Software Enterprises Ltd. (MGIC) approved the proposed merger with Matrix IT Ltd. The merger was consummated before the open on February 24, 2026. As a result, each existing MGIC Common Share will be converted into the right to receive a number of Matrix IT Ltd Ordinary Shares based on the Exchange Ratio, calculated as described in the MGIC Proxy Statement dated November 3, 2025 (“Proxy”). Fractional shares will be rounded to the nearest whole share.

On February 18, 2026, MGIC announced that the Exchange Ratio is 0.5878202 Matrix IT Ltd. Ordinary Shares per MGIC Ordinary Share held.

### **Possible Settlement Procedures**

The Matrix IT Ltd Ordinary Shares trade on the Tel Aviv Stock Exchange and are not expected to be listed on any U.S Securities Exchange. It is uncertain at this time if an OTC or OTCBB (Bulletin Board) market will develop. In an event the shares are listed on a U.S. exchange or an OTC or OTCBB (Bulletin Board) market develops, MGIC1 option exercise and assignment activity will settle in the normal fashion through NSCC. However, if a market does not develop or NSCC does not accept transactions in Matrix IT Ltd. Ordinary Shares, OCC anticipates requiring broker to broker settlement for MGIC1 options. Pursuant to customary OCC broker to broker settlement procedures, inability to effect delivery may subsequently occasion cash settlement as determined by OCC.

On February 20, 2026, DTC indicated in the MGIC/Matrix merger event that it was working with the issuer to make the CUSIP issued to MGIC holders in the merger transaction DTC-eligible. If the CUSIP becomes DTC-eligible, OCC anticipates requiring broker to broker settlement for MGIC1 options. DTC indicated that if it was not able to make the CUSIP eligible, that it would exit the entitlement through a contra CUSIP. If this occurs, OCC may determine a USD cash equivalent for the Matrix IT Ltd. Ordinary Shares included in the MGIC1 option deliverable.
