Capitalised terms used in this announcement but not defined have the meanings given to them in the consent solicitation memorandum dated 26 March 2026 (the “**Consent Solicitation Memorandum**”) or the notice of the Circulating Resolution by Electronic Consent and the Meeting in respect each series of the Bonds (the “**Notice**”).

The Consent Solicitation

It is hereby announced that the Issuer is conducting a consent solicitation (the “**Consent Solicitation**”)

¹ According to the Trust Deeds, Bonds which are beneficially held by or on behalf of the Issuer or its Subsidiaries and not cancelled shall (unless no longer so held) be deemed not to remain outstanding for the purpose of this Consent Solicitation. As at the date of the Consent Solicitation Memorandum, no Bonds are beneficially held by or on behalf of the Issuer or any of its Subsidiaries and not yet cancelled.

to invite each holder who is (i) outside the United States and not a U.S. person (as defined in Regulation S under the Securities Act) and (ii) otherwise a person to whom the Consent Solicitation can be lawfully made and that may lawfully participate in the Consent Solicitation (the “**Eligible Bondholders**”) of the Bonds to consent to the Proposed Amendments and Waivers relating to the Bonds as set out in the Consent Solicitation Memorandum.

The Consent Solicitation is only being made outside the United States, to persons other than “U.S. persons” (as defined in Regulation S under the Securities Act). Any purported participation in the Consent Solicitation resulting directly or indirectly from a violation of these restrictions will be invalid and any participation in the Consent Solicitation by a person that is located in the United States or that is a U.S. person or by any agent, fiduciary or other intermediary acting on a non-discretionary basis for a beneficial owner that is giving instructions from within the United States or that is any U.S. person will not be accepted.

Rationale for Proposed Amendments and Waivers

In light of the Chinese central government’s clear proposal of the “Quality Housing” strategy to promote the healthy development of the real estate industry, the Group has been actively responding to the national policy directives by adhering to the principle of high-quality development, proactively managing its debts and optimizing its capital structure. The Group is committed to reshaping its sustainable value following the successful restructuring of its offshore debts. Despite the completion of the 2025 restructuring, the Group remains cautious about its liquidity in the near term as industrial risks have not been fully resolved and financial institutions maintain a cautious stance toward private real estate enterprises. The Group anticipates the real estate sector will remain under pressure through 2026 and 2027.

The purpose of the Consent Solicitation is to seek Holders of the Bonds to (i) amend the sections in relation to the events of default in the Trust Deed to remove a sunset date of 31 March 2026, for carve-outs related to “Excluded Offshore Indebtedness”; (ii) irrevocably waive (a) any actual or potential breach, default or event of default that may have occurred, may occur or may be continuing under or in respect of any Bonds, Subsidiary Guarantees, Trust Deed, security documents or intercreditor agreements related thereto (collectively, the “**Bonds Documents**”) if the Proposed Amendments have not become effective as of 31 March 2026; (b) any failure to pay the cash interest on the Short Term Notes due and payable on or prior to 30 March 2026, and any actual or potential breach, default or event of default under or in respect of any Bonds Document that may have occurred, may occur or may be continuing as a result of such failure; (c) any actual or potential breach, default or event of default that may have occurred, may occur or may be continuing under or in respect of any Bonds Document if the Proposed Amendments and Waivers in respect of any series of Bonds or the proposed amendments and waivers pursuant to the Senior Notes Consent Solicitation have not become effective as of 31 March 2026; (d) any consequential breach, default or event of default under or in respect of any Bonds Document that may have occurred, may occur or may be continuing as a result of, arising from or related to any of the foregoing, whether or not specifically described in the Consent Solicitation Memorandum; and (iii) irrevocably undertake to refrain from taking and not to take, and shall be deemed to have instructed to the respective Trustee and Collateral Agent (as defined in the Trust Deed) to refrain from taking and not to take, any enforcement action under or in respect of any Bonds Document (including without limitations, declaration of acceleration of payment, commencing or joining any proceeding or enforcing the security interest over any collateral) (each, an “**Enforcement Action**”), and to immediately stop and rescind, and shall be deemed to have instructed the respective Trustee and Collateral Agent to immediately stop and rescind, any Enforcement Action if any such Enforcement Action has been taken. Given the complexity of the current financial environment, a fixed sunset date creates unnecessary risks and uncertainties that do not reflect the Company’s underlying operational

progress. Removing the deadline provides a more stable long-term platform for the Company to implement its holistic debt resolution and to mitigate risks arising from the expiry of the existing deadline. If the Consent Solicitation is not successfully consummated, an event of default is likely to occur, and cross default provisions under the Company's other existing indebtedness may be triggered.

Proposed Amendments and Waivers in respect of the Bonds

The Issuer is seeking Consents to:

- (i) amend the sections in relation to the events of default in the Trust Deeds to remove a sunset date of 31 March 2026, for carve-outs related to "Excluded Offshore Indebtedness" (such amendments to the Trust Deeds, the "**Proposed Amendments**");
- (ii) irrevocably waive:
 - (a) any actual or potential breach, default or event of default that may have occurred, may occur or may be continuing under or in respect of any Bonds, Subsidiary Guarantees, Trust Deeds, security documents or intercreditor agreements related thereto if the Proposed Amendments have not become effective as of 31 March 2026;
 - (b) any failure to pay the cash interest on the Short Term Notes due and payable on or prior to 30 March 2026, and any actual or potential breach, default or event of default under or in respect of any Bonds Document that may have occurred, may occur or may be continuing as a result of such failure;
 - (c) any actual or potential breach, default or event of default that may have occurred, may occur or may be continuing under or in respect of any Bonds Document if the Proposed Amendments and Waivers in respect of any series of Bonds or the proposed amendments and waivers pursuant to the Senior Notes Consent Solicitation have not become effective as of 31 March 2026;
 - (d) any consequential breach, default or event of default under or in respect of any Bonds Document that may have occurred, may occur or may be continuing as a result of, arising from or related to any of the foregoing, whether or not specifically described in the Consent Solicitation Memorandum; and
- (iii) irrevocably undertake to refrain from taking and not to take, and shall be deemed to have instructed to the respective Trustee and Collateral Agent (as defined in the Trust Deeds) to refrain from taking and not to take, any enforcement action under or in respect of any Bonds Document (including without limitations, declaration of acceleration of payment, commencing or joining any proceeding or enforcing the security interest over any collateral), and to immediately stop and rescind, and shall be deemed to have instructed the respective Trustee and Collateral Agent to immediately stop and rescind, any Enforcement Action if any such Enforcement Action has been taken,

(limbs (ii) to (iii), collectively, the "**Proposed Waivers**", and the Proposed Waivers together with the Proposed Amendments, the "**Proposed Amendments and Waivers**").

Meeting

The Issuer has today published a notice of the Circulating Resolution by Electronic Consent and the Meeting of the Bondholder (the "**Notice**") in respect each series of the Bonds to consider and, if thought

fit, pass the relevant Extraordinary Resolution. The Meeting in respect of MCB I will be held on 20 April 2026 at 4:00 p.m. (Hong Kong time) at the offices of Sidley Austin, 39/F, Two International Finance Centre, 8 Finance Street, Central, Hong Kong. The Meeting in respect of MCB II will be held on 20 April 2026 after the Meeting in respect of MCB I, expected to be at 4:30 p.m. (Hong Kong time) at the offices of Sidley Austin, 39/F, Two International Finance Centre, 8 Finance Street, Central, Hong Kong.

Implementation of the Extraordinary Resolution

If Electronic Consent is granted, the Extraordinary Resolution will take effect at the Electronic Consent Deadline, as if the Extraordinary Resolution was passed at the Meeting and shall be binding on all Bondholders whether or not they participated in the Electronic Consent. In such circumstance, the Extraordinary Resolution will not be tabled for consideration at the Meeting.

If passed by Electronic Consent, the implementation of the Extraordinary Resolution is conditional upon (1) the passing of the Extraordinary Resolution; (2) the satisfaction (or waiver) of the Eligibility Condition; (3) the Issuer exercising its sole discretion to implement the Extraordinary Resolution; (4) the execution of the Supplemental Trust Deeds, and the Proposed Amendments and Waivers will take effect upon execution of the Supplemental Trust Deeds, which will occur as soon as reasonably practicable after the Electronic Consent Deadline; and (5) the implementation of the Senior Notes Consents (unless the Issuer determines in its sole and absolute discretion to waive such condition).

If the Extraordinary Resolution is passed at the Meeting, the implementation of the Extraordinary Resolution is conditional upon (1) the passing of the Extraordinary Resolution; (2) the satisfaction (or waiver) of the Eligibility Condition; (3) the Issuer exercising its sole discretion to implement the Extraordinary Resolution; (4) the execution of the Supplemental Trust Deeds; and (5) the implementation of the Senior Notes Consents (unless the Issuer determines in its sole and absolute discretion to waive such condition).

Notwithstanding anything to the contrary in the Consent Solicitation Memorandum and for the avoidance of doubt, the condition described in item (5) of the foregoing paragraph is for the benefit of the Issuer only. If the Issuer decides to waive the condition described in item (5) of the foregoing paragraph, this will not constitute a material change and Bondholders will not be required to provide new consent instructions in relation to the Consent Solicitation. Any Consent Instructions provided prior to the waiver of such condition shall remain valid and irrevocable.

Accordingly, if the Extraordinary Resolution is not passed, the Eligibility Condition is not satisfied (or waived by the Issuer), or any other condition is not satisfied (or waived by the Issuer), the Extraordinary Resolution will not be implemented.

Where the Extraordinary Resolution is passed by way of Circulating Resolution by Electronic Consent and the Eligibility Condition is satisfied (or waived by the Issuer), the Issuer will, as soon as reasonably practicable after the Electronic Consent Deadline, announce (i) the results of the Electronic Consent; and (ii) if the Issuer elects to implement the Extraordinary Resolution, the Amendment Effective Date.

In the case of a Meeting where the Extraordinary Resolution is tabled for consideration, the Issuer will, as soon as reasonably practicable after the conclusion of the Meeting, announce (i) the results of the Meeting; (ii) if the Extraordinary Resolution is passed and the Issuer elects to implement the Extraordinary Resolution, the Amendment Effective Date.

The Proposed Amendments and Waivers will be effective on the Amendment Effective Date upon the execution of the Supplemental Trust Deeds and are subject to the conditions described in the Consent Solicitation Memorandum. Such Proposed Amendments and Waivers once effective will be binding on all Bondholders, including those Bondholders voting against the Extraordinary Resolution or those who do not vote at all.

The deadlines set by any such intermediary and each Clearing System for the submission and (where permitted) revocation of Consent Instructions will be earlier than the deadlines above.

CONCURRENT SENIOR NOTES CONSENT SOLICITATION

The Issuer is concurrently inviting holders of certain senior notes (the “**Senior Notes holders**”) to approve, by consent solicitation, certain amendments and waivers (the “**Senior Notes Consents**”) to the relevant indentures each dated 28 November 2025, as more fully described in the consent solicitation statement dated 26 March 2026 (the “**Senior Notes Consent Solicitation**”). The Issuer considers the Senior Notes Consents and the Consent of the Bonds to form a single package and to be interconditional. Accordingly, the Issuer encourages holders of the Bonds who are also Senior Notes holders to vote in favor of both the Consent and the Senior Notes Consents concurrently. Notwithstanding the foregoing, the Issuer reserves the right, in its sole discretion, to accept the Consent or the Senior Notes Consents (as applicable) on such terms as it may determine. Please note that in order to participate in both the Consent Solicitation and the Senior Notes Consent Solicitation, holders of the Bonds who are also Senior Notes holders should submit separate instructions in respect of the Consent Solicitation and the Senior Notes Consent Solicitation. In addition, bondholders who hold both MCB I and MCB II should note that the Issuer is conducting consent solicitations concurrently in respect of each of MCB I and MCB II. Accordingly, such holders must submit separate Consent Instructions (or voting instructions, as applicable) for MCB I and for MCB II, and any instruction submitted in connection with the consent solicitation for one series will not constitute a valid instruction for the other series. No consent fee will be provided in relation to the Consent Solicitation.
