

FIT Hon Teng (6088 HK)

1Q25 results below; Guidance lowered on smartphone /system products due to macro uncertainties

FIT Hon Teng 1Q25 revenue grew 14% YoY and net profit declined 38% YoY, below our expectations and tracking 22%/3% of our FY25E estimates. The weaker-than-expected results were mainly due to lower GPM and FX headwinds in 1Q. Looking ahead, given US tariff impact and macro uncertainties, mgmt. lowered 2025 guidance on smartphone (-15% YoY) and System products (-5% to +5% YoY), and guided higher opex for global supply chain alignment. Thus, we trim F25-26E EPS by 10-18% to reflect 1Q25 results and lower guidance. Overall, we expect near-term headwinds due to tariff/macro weakness and slower server upgrade, while we remain positive on AI server product demand, AirPods capacity ramp-up in India and auto M&A progress in 2025E. Trading at 8.3x/6.3x FY25/26E, the stock is attractive in our view. Maintain BUY with new TP of HK\$3.48 based on the same 14.1x FY25E P/E.

■ **solid revenue but weaker earnings in 1Q25 due to GPM/FX headwinds.** FIT's 1Q25 revenue (+14% YoY) was largely in-line while net profit (-38% YoY) was below our expectations due to lower GPM at 19.5% (vs 20.3% in 1Q24) and higher opex due to NPI ramps and FX headwinds. By segment, smartphone/system revenue declined 6%/4% YoY, while networking/computing/automobility posted strong growth of +46%/13%/89% YoY.

■ **2Q25/2025 outlook: weaker smartphone/system products, AI server products in progress, and AirPods ramp in India.** Looking ahead to 2Q25E, mgmt. guided -15% YoY in revenue for smartphone/system products, +15% YoY for networking/mobility, and 5-15% YoY for computing. For 2025 guidance, while networking(server)/computing(PC)/automobility outlook remains solid, mgmt. revised down 2025 guidance for smartphone sales (-15% YoY) and System products (-5% to +5% YoY) sales, and raised opex guidance for global supply chain alignment. For new AI server products, FIT showcased strong product portfolio in GTC 2025 in March, including high-speed cables, new sockets, power busbar, and cooling components (UQD, cold plates). Overall, we expect FIT's revenue/net profit to grow 15%/46% YoY in FY25E.

■ **Near-term headwinds on tariff/macro and server spec upgrade mostly priced in; Maintain BUY.** We revise down our FY25/26E EPS forecasts by 10-18% to reflect 2025 guidance and market uncertainties. We believe new product pipeline and order wins remain solid with key growth drivers from AI server/AirPods/auto segments. Our new TP of HK\$3.48 is based on the same 14.1x FY25E P/E. Maintain BUY. Upcoming catalysts include AI server shipments, AirPods ramp-up and US tariff progress.

Valuation

Maintain BUY with new TP of HK\$3.48

We revise down our FY25-26E EPS forecasts by 10-18%% to reflect 2025 guidance and market conditions. We believe new product pipeline and order wins remain solid with key growth drivers from AI server/AirPods/auto segments. Our new TP of HK\$3.48 is based on the same 14.1x FY25E P/E. Maintain BUY. Upcoming catalysts include AI server shipments, AirPods ramp-up and US tariff progress.

Important Disclosures

There are risks involved in transacting in any securities. The information contained in this report may not be suitable for the purposes of all investors. CMBIGM does not provide individually tailored investment advice. This report has been prepared without regard to the individual investment objectives, financial position or special requirements. Past performance has no indication of future performance, and actual events may differ materially from that which is contained in the report. The value of, and returns from, any investments are uncertain and are not guaranteed and may fluctuate as a result of their dependence on the performance of underlying assets or other variable market factors. CMBIGM recommends that investors should independently evaluate particular investments and strategies, and encourages investors to consult with a professional financial advisor in order to make their own investment decisions.

This report or any information contained herein, have been prepared by the CMBIGM, solely for the purpose of supplying information to the clients of CMBIGM or its affiliate(s) to whom it is distributed. This report is not and should not be construed as an offer or solicitation to buy or sell any security or any interest in securities or enter into any transaction. Neither CMBIGM nor any of its affiliates, shareholders, agents, consultants, directors, officers or employees shall be liable for any loss, damage or expense whatsoever, whether direct or consequential, incurred in relying on the information contained in this report. Anyone making use of the information contained in this report does so entirely at their own risk.

The information and contents contained in this report are based on the analyses and interpretations of information believed to be publicly available and reliable. CMBIGM has exerted every effort in its capacity to ensure, but not to guarantee, their accuracy, completeness, timeliness or correctness. CMBIGM provides the information, advices and forecasts on an "AS IS" basis. The information and contents are subject to change without notice. CMBIGM may issue other publications having information and/ or conclusions different from this report. These publications reflect different assumption, point-of-view and analytical methods when compiling. CMBIGM may make investment decisions or take proprietary positions that are inconsistent with the recommendations or views in this report.

CMBIGM may have a position, make markets or act as principal or engage in transactions in securities of companies referred to in this report for itself and/or on behalf of its clients from time to time. Investors should assume that CMBIGM does or seeks to have investment banking or other business relationships with the companies in this report. As a result, recipients should be aware that CMBIGM may have a conflict of interest that could affect the objectivity of this report and CMBIGM will not assume any responsibility in respect thereof. This report is for the use of intended recipients only and this publication, may not be reproduced, reprinted, sold, redistributed or published in whole or in part for any purpose without prior written consent of CMBIGM.

Additional information on recommended securities is available upon request.

For recipients of this document in the United Kingdom

This report has been provided only to persons (I) falling within Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005 (as amended from time to time) ("The Order") or (II) are persons falling within Article 49(2) (a) to (d) ("High Net Worth Companies, Unincorporated Associations, etc.") of the Order, and may not be provided to any other person without the prior written consent of CMBIGM.

For recipients of this document in the United States

CMBIGM is not a registered broker-dealer in the United States. As a result, CMBIGM is not subject to U.S. rules regarding the preparation of research reports and the independence of research analysts. The research analyst who is primary responsible for the content of this research report is not registered or qualified as a research analyst with the Financial Industry Regulatory Authority ("FINRA"). The analyst is not subject to applicable restrictions under FINRA Rules intended to ensure that the analyst is not affected by potential conflicts of interest that could bear upon the reliability of the research report. This report is intended for distribution in the United States solely to "major US institutional investors", as defined in Rule 15a-6 under the US Securities Exchange Act of 1934, as amended, and may not be furnished to any other person in the United States. Each major US institutional investor that receives a copy of this report by its acceptance hereof represents and agrees that it shall not distribute or provide this report to any other person. Any U.S. recipient of this report wishing to effect any transaction to buy or sell securities based on the information provided in this report should do so only through a U.S.-registered broker-dealer.

For recipients of this document in Singapore

This report is distributed in Singapore by CMBI (Singapore) Pte. Limited (CMBISG) (Company Regn. No. 201731928D), an Exempt Financial Adviser as defined in the Financial Advisers Act (Cap. 110) of Singapore and regulated by the Monetary Authority of Singapore. CMBISG may distribute reports produced by its respective foreign entities, affiliates or other foreign research houses pursuant to an arrangement under Regulation 32C of the Financial Advisers Regulations. Where the report is distributed in Singapore to a person who is not an Accredited Investor, Expert Investor or an Institutional Investor, as defined in the Securities and Futures Act (Cap. 289) of Singapore, CMBISG accepts legal responsibility for the contents of the report to such persons only to the extent required by law. Singapore recipients should contact CMBISG at +65 6350 4400 for matters arising from, or in connection with the report.
