

New Oriental (EDU US)

2QFY26 results beat; strong core educational business and solid margin expansion

New Oriental announced 2QFY26 results: net revenue increased by 15% YoY to US\$1.19bn, 3% ahead of Bloomberg consensus estimate; non-GAAP operating income surged by 207% YoY to US\$89.13mn, beating consensus estimate of US\$54.87mn, primarily attributable to enhanced operational efficiency and improved utilization within the educational business. Looking ahead, management expected net revenue to grow by 11-14% YoY to US\$1.31bn-1.35bn in 3QFY26E, and also raised FY26E net revenue forecast to US\$5.29-5.49bn (+8%-12% YoY, vs. previously +5-10% YoY), given the solid momentum of new educational business and high-school tutoring business. We raise our FY26-28E total revenue forecast by 0-1% in view of the solid K-12 business, and lift our SOTP-derived target price to US\$78.0 (previous: US\$76.0). Maintain BUY on strong core educational business, solid margin expansion trend and attractive shareholder return.

- Accelerating revenue growth on strong core educational businesses.**
 New educational business initiatives revenue grew by 21.6% YoY in 2QFY26, primarily driven by the solid growth of active paid users of intelligent learning system (+35% YoY) and non-academic tutoring course enrolment (+6% YoY). Revenue from overseas test prep business increased by 4% YoY in 2QFY26, despite the macro uncertainty. Domestic test prep revenue was up by 12.8% YoY in 2QFY26. Revenue from East Buy recovered by 6% YoY in 1HFY26, mainly thanks to the expansion of product categories and enhancement of supply chains.
- Expect solid business momentum to continue in 3QFY26E.** For 3QFY26E, management remained upbeat on the K-12 businesses, primarily thanks to the enhanced product quality, which has boosted both the retention rate and customer lifetime value. Overseas-related business may continue to face macro headwinds, but management expected its revenue to be largely flattish YoY in 2HFY26E due to better execution. We forecast new educational initiatives/high-school tutoring/domestic test prep for adults/overseas-related business to grow revenue by 23%/18%/15%/2% YoY in 3QFY26E.
- Enhanced margin profile and attractive shareholder return.** Non-GAAP OPM expanded by 5ppt YoY to 7.5% in 2QFY26, mainly due to the enhanced operational efficiency and improved utilization rate of educational business. GPM improved by 1ppt YoY and S&M expense ratio declined by 3ppt YoY in 2QFY26. Looking ahead, management expected further margin expansion in 2HFY26E, supported by improved operational efficiency of both core educational business and East Buy. We forecast non-GAAP OPM to expand by 1ppt YoY to 13.1% in 3QFY26E. In term of shareholder return, the company has repurchased 1.6mn ADSs for US\$86.3mn over the past three months, equivalent to 1% of the current market cap.

Valuation

1) US\$75.0 for the educational and consulting business (96% of total valuation), based on 25x FY26E PE, which is on par with the educational sector average.

2) US\$1.8 for East Buy (2% of total valuation), based on 12x FY26E PE, which is on par with the e-commerce sector average.

3) US\$1.2 for the Tourism and others business (2% of total valuation), based on 10x FY26E PE, which is a discount to other OTA platforms (14x) given that its tourism business remains at early development stage.

Each major US institutional investor that receives a copy of this report by its acceptance hereof represents and agrees that it shall not distribute or provide this report to any other person. Any U.S. recipient of this report wishing to effect any transaction to buy or sell securities based on the information provided in this report should do so only through a U.S.-registered broker-dealer.

For recipients of this document in Singapore

This report is distributed in Singapore by CMBI (Singapore) Pte. Limited (CMBISG) (Company Regn. No. 201731928D), an Exempt Financial Adviser as defined in the Financial Advisers Act (Cap. 110) of Singapore and regulated by the Monetary Authority of Singapore. CMBISG may distribute reports produced by its respective foreign entities, affiliates or other foreign research houses pursuant to an arrangement under Regulation 32C of the Financial Advisers Regulations. Where the report is distributed in Singapore to a person who is not an Accredited Investor, Expert Investor or an Institutional Investor, as defined in the Securities and Futures Act (Cap. 289) of Singapore, CMBISG accepts legal responsibility for the contents of the report to such persons only to the extent required by law. Singapore recipients should contact CMBISG at +65 6350 4400 for matters arising from, or in connection with the report.
